Dear sirs:

It has come to my attention that proposed fiduciary rule RIN 1210-AB32 will limit investors' rights to trade options in their IRA accounts.

Sirs, I have learned how to trade options. I use them to buy stocks at a discount. I use them to protect my existing stock positions. And, yes, I use them to speculate as to the direction of stock prices.

I do not want these rights of mine (and others) to be curtailed.

Please abolish this foolish rule RIN 1210-AB32.

Sincerely,
James Hamilton
