Dear Government,

As a voter and U.S. Citizen I strongly believe that a citizens right to chose is ours alone, good or bad decisions alike!
This is why I STRONGLY OPPOSE any branch of the Government forbidding the citizens to use options either in or outside of an IRA account!

Therefore, I hereby submit my objection to RIN 1210 – AB32 bill and hereby submit that you defeat this bill when you vote!

We need less intrusion not more from our government.

This bill will take away anyone's right to use options to help reduce any losses and improve on their gains.

As it is the brokerage houses use a tremendous amount discretion on whom is allowed to use options and at what level!

Therefore we do not need any more ridiculous regulations!

Thank you.

Sincerely,
Jame Burston
