To whom it may concern.

Taxation and regulations are destroying this country. We need fewer, not more of them. One learns how to trade options, does it in his retirement account to save taxes. and to try to get ahead, and you want to deprive them of the opportunity. I am opposed to removing this freedom.,.

I read the other day the USA is now the 19th freest country. Are you trying to make us the 20ty.

Sincerely,
