Subject: Fiduciary rule

Dear Secretary Acosta,

FOR THIS REASON: <http://www.insurancejournal.com/news/national/2017/08/10/460746.htm>

I am writing to request the protection and implementation of the fiduciary rule. Banks and other financial institutions advising individuals should be required to put their clients' financial interests above their own.

Thanks,

Linda Warren
Camarillo, CA 93012
