Improving Investment Advice for Workers and Retirees

Document: EBSA-2020-0003-DRAFT-0015
Comment 0012 Sorkin 07272020

Submitter Information

Name: Suzanne Sorkin

General Comment

Professionals who advise employees on their 401k plans should NOT be able to get third party reimbursements. They should, instead, be impartial explainers of benefits. Employees need and deserve impartial explanations, not sales pitches.
