Improving Investment Advice for Workers & Retirees

Comment On: EBSA-2020-0003-0001
Improving Investment Advice for Workers and Retirees

Document: EBSA-2020-0003-DRAFT-0016
Comment 0013 Johnson 07272020

Submitter Information

Name: Hilah Johnson

General Comment

This is akin to doctors taking kickbacks from pharmaceutical companies, a practice which is illegal. Allowing financial advisors to receive compensation from the funds they recommend is opening the door to fraud and is absolutely NOT in the best interest of employees.
