2:00 – 2:30 PM EST

The American Rescue Plan Act of 2021 provides premium assistance for health benefits under the Consolidated Omnibus Budget Reconciliation Act (COBRA). For coverage periods beginning on or after April 1, 2021 through September 30, 2021, individuals who experienced an involuntary termination of employment or a reduction in hours may be eligible for a subsidy for the full COBRA premium.

This webcast will help employers and plan service providers understand the COBRA premium assistance provisions and how to comply. The Department of Labor will discuss who is an assistance eligible individual, the duration of the premium assistance, the extended election period, the notice requirements, and other provisions.
