Compliance Assistance on Mental Health Parity**

Operating a group health plan can be challenging, especially for small and medium sized employers with limited time, resources and/or access to professional assistance. To increase awareness and understanding about the Mental Health Parity Addiction Equity Act (MHPAEA), the Cincinnati Regional Office is presenting the "Compliance Assistance on Mental Health Parity" webinar.

The webinar will help employers, service providers, and benefit professionals understand how the provisions of MHPAEA apply to employer-sponsored group health plans and provide information on how to avoid common problems. The webinar runs about 45 minutes to an hour and is limited to 200 participants.

**When:** **Wednesday, February 21, 2024 at 11AM, ET**

**Cost:** The webinar and all materials provided are free! Registration is not required.
