What It Means To Be A Group Health Plan Fiduciary Webinar**

Operating a group health plan can be challenging, especially for small and medium sized employers with limited time, resources and/or access to professional assistance. To increase awareness and understanding about basic fiduciary responsibilities when operating a group health plan, the Cincinnati Regional Office is presenting the "What It Means to be a Group Health Plan Fiduciary" webinar.

The webinar will help employers, service providers, and benefit professionals understand how the fiduciary responsibility provisions of the Employee Retirement Income Security Act (ERISA) apply to employer-sponsored group health plans and provide information on how to avoid common problems in managing a plan. The webinar runs about 45 minutes to an hour and is limited to 200 participants.

**When: January 28, 2021 at 12 PM, ET
March 18, 2021 at 12 PM, ET**

Cost: The webinar and all materials provided are free! Registration is not required.
