

## United States Department of Labor Employee Benefits Security Administration What You Should Know About Your Retirement Plan

Do you have questions about your 401(k) plan? Want to know where you can find more information about your benefits under your traditional pension plan? Not sure how circumstances such as a divorce will impact your retirement benefit? If you have questions about your employment-based retirement plan, join the U.S. Department of Labor's Employee Benefits Security Administration for a free webcast.

Your employer's retirement savings plans is an essential part of your future financial security. It is important to understand how it works and what benefits you will receive. The webcast will help you understand your plan and your rights and responsibilities under Federal law. It will address some of the common questions workers ask.

Make the most of your workplace retirement savings plan for a secure financial future. Learning about your plan so you can make informed decisions is the first step. Start by signing up for this free webcast.

The New York Regional Office will offer two webcasts on "What You Should Know about Your Retirement Plan." Each presentation runs approximately 60 minutes and is limited to 200 participants.
