

United States Department of Labor Employee Benefits Security Administration What to Expect from a Health Plan Investigation

Enforcing the law to ensure the security of the group health plan benefits of America's workers and their families is part of the Employee Benefits Security Administration (EBSA) mission. We conduct investigations to gather information and evaluate compliance with the Employee Retirement Income Security Act's (ERISA) requirements relating to employee benefit plans.

To increase understanding of EBSA investigations, EBSA's Dalls Regional Office is holding a free webinar, "What to Expect from a Health Plan Investigation". The webinar will provide a basic introduction to ERISA and cover EBSA's enforcement strategy and investigation procedure. We will discuss fiduciary responsibilities, types of investigations, priority issues such as corrections, and compliance assistance and resources. The webinar runs about 90 minutes.

When: **September 21, 2021, Tuesday at 10:00 – 11:30 am CT**

Cost: **Free!**
