

NATIONAL DISLOCATED WORKER GRANTS

EMPLOYMENT RECOVERY - EMERGENCY FUNDING

FOR COVID-19 RESPONSE

Supporting Indiana's COVID-19 Dislocated Workers

Statewide

Project Summary (Need)

The state's application indicates widespread job loss since the start of the COVID-19 pandemic, with significant impacts in the manufacturing and leisure/hospitality industries.

Employment Recovery Activities

The state anticipates utilizing these funds to support career, training, and supportive services due to the significant number of layoffs and high unemployment insurance claims throughout the state. Needs will be determined locally. The proposed project will provide WIOA employment and training services to all eligible individuals, focusing on virtual enrollment and service delivery due to American Job Center closures and social distancing requirements.

Eligible Participants

Workers laid-off due to quarantine orders or business closures related to disruptions caused by the outbreak, are eligible participants. Also eligible are workers unable to go to their regular workplace due to social distancing requirements, as well as those missing work to care for a family member.

Period of Performance 6/10/20 - 6/30/22 	Approved Amount \$6,660,000 
Planned Participants 2500 	Target Population Dislocated Workers
