Period of Performance	7/1/2018 – 6/30/2020
Participants Served	300
Grantee Name	Maryland Department of Labor, Licensing and Regulation
Grantee City and State	Baltimore, Maryland
Grant Award Amount	\$1,975,085
Project Service Area	Maryland communities impacted by the health and economic effects of widespread opioid use, addiction, and overdose
Target Group	The grant may provide services to dislocated workers, new entrants to the workforce, and incumbent workers (currently employed or underemployed), who are directly or indirectly affected by economic and workforce impacts resulting from the opioid crisis.
Project Description	This grant will provide career, training, and supportive services for eligible individuals in the Maryland communities impacted by the health and economic effects of widespread opioid use, addiction, and overdose.
Service Strategies	Maryland plans to have the partnerships apply for funds to support innovative solutions for workforce-related needs through the Opioid Workforce Innovation Fund, using a competitive process. Through this effort, the state is looking to develop new and promising ideas; to adopt proven strategies at the systems or service delivery level; and to expand the reach of its programs within opioid addicted populations.
