

<b>National Dislocated Worker Grant (DWG) Summary</b>
---

<b>Project Type</b>	Reemployment System Integration (RSI)	
<b>State</b>	North Dakota	
<b>Period of Performance</b>	October 1, 2016 - September 30, 2018	
<b>Grant Award Amount</b>	\$ 1,069,980	
<b>Core Project Elements</b>		✓ Where Applicable
	Common registration and case management across at least the DW, ES, and UI programs	✓
	Implementation of robust on-line service delivery hubs that integrate information and on-line services across at least the DW, ES, and the UI programs	
	Data integration strategies that support the ability of front-line staff, including career counselors, to better connect dislocated workers to the services they need to get jobs in demand and expand the capacity to provide career counseling to more customers	
<b>Alternate Options for States</b>	For states with existing integrated systems, the proposal includes enhancing existing system	✓
<b>Workforce Connect</b>		Yes or No
	Plan to use	
	Plan to investigate	Yes
<b>Project Description</b>	North Dakota intends to use RSI DWG funds for a Common Intake project that would modify the intake portion of the UI (UIICE) application to capture all the necessary information to automatically create a complete registration in the Virtual One Stop application. This initiative, coupled with the single sign-on project, will provide a smooth entry into the system for dislocated workers.
