

National Dislocated Worker Grant (DWG) Summary

Project Type	Reemployment System Integration (RSI)	
State	Nebraska	
Period of Performance	October 1, 2016 - September 30, 2018	
Grant Award Amount	\$ 814,193	
Core Project Elements		✓ Where Applicable
	Common registration and case management across at least the DW, ES, and UI programs	
	Implementation of robust on-line service delivery hubs that integrate information and on-line services across at least the DW, ES, and the UI programs	
	Data integration strategies that support the ability of front-line staff, including career counselors, to better connect dislocated workers to the services they need to get jobs in demand and expand the capacity to provide career counseling to more customers	
Alternate Options for States	For states with existing integrated systems, the proposal includes enhancing existing system	✓
Workforce Connect		Yes or No
	Plan to use	
	Plan to investigate	Yes
Project Description	Nebraska has already integrated intake and case management system for ES, UI, TAA, WIOA (Adult, Youth and DW), JVSG, and discretionary grants. The state will use RSI DWG funds to connect the DW to services outside of those offered by Department of Labor programs through integration and interconnectivity with the One-Stop partner programs and to increase the efficiencies in documenting eligibility for the DW across NDOL programs.
