

<b>National Dislocated Worker Grant (DWG) Summary</b>
---

<b>Project Type</b>	Reemployment System Integration (RSI)	
<b>State</b>	New York	
<b>Period of Performance</b>	October 1, 2016 - September 30, 2018	
<b>Grant Award Amount</b>	\$ 1,100,000	
<b>Core Project Elements</b>		✓ Where Applicable
	Common registration and case management across at least the DW, ES, and UI programs	
	Implementation of robust on-line service delivery hubs that integrate information and on-line services across at least the DW, ES, and the UI programs	
	Data integration strategies that support the ability of front-line staff, including career counselors, to better connect dislocated workers to the services they need to get jobs in demand and expand the capacity to provide career counseling to more customers	
<b>Alternate Options for States</b>	For states with existing integrated systems, the proposal includes enhancing existing system	✓
<b>Workforce Connect</b>		Yes or No
	Plan to use	Yes
	Plan to investigate	
<b>Project Description</b>	New York will use RSI DWG funds to enhance the common registration and case management systems across the Dislocated Worker (DW), Employment Services (ES), and Unemployment Insurance (UI) programs available to job seekers and staff. The proposed system enhancements will also allow for data integration strategies that support the ability of front-line staff, including career counselors, to better connect DW participants to the services they need to get in-demand jobs along career pathways and will expand the capacity to provide career counseling to more job seekers.
