	Implementation of robust on-line service delivery hubs that integrate information and on-line services across at least the DW, ES, and the UI programs	✓
	Data integration strategies that support the ability of front-line staff, including career counselors, to better connect dislocated workers to the services they need to get jobs in demand and expand the capacity to provide career counseling to more customers	✓
Alternate Options for States	For states with existing integrated systems, the proposal includes enhancing existing system	✓
Workforce Connect		Yes or No
	Plan to use	Yes
	Plan to investigate	
Project Description	Oregon will use RSI DWG funds statewide to support high quality service delivery and improve employment outcomes for Dislocated Workers, including those who are unemployment insurance claimants or long-term unemployed. This support will be provided through investment in two integrated technology solutions that support connectivity across programs and services provided to Dislocated Workers.
