

National Dislocated Worker Grants (DWG) Disaster Recovery

California

[View Official FEMA Declaration](#)

Carr Fire 2018

GRANT NUMBER: EM-32533-18-60-A-6

Shasta County

Qualifying Events

The Carr Fire began in Whiskeytown National Recreation Area on July 23, 2018. The destruction intensified on July 26, 2018, when a fire tornado with winds of 143 miles an hour devastated the city of Redding, forcing 38,000 residents to evacuate.

Proposal Summary

The California Department of Employment Development submitted to the U.S. Department of Labor an application requesting \$6,000,000 in Disaster Recovery National Dislocated Worker Grant (DWG) funding. The purpose of the project is to create disaster relief employment for eligible individuals to assist with clean-up and recovery efforts resulting from wildfires in Shasta County.

Project Description

This project will create disaster relief employment for eligible individuals to assist in clean-up and recovery efforts related to California wildfires and high winds that began July 23, 2018.

Period of Performance 8/20/2018 - 6/30/2020 	Up to Amount \$6,000,000* 
Planned Participants 260 	Target Population Dislocated Workers 

* The grant approval threshold of \$6,000,000 does not represent a current obligation of funds beyond the immediate award of \$2,000,000.
