Grant Number: DW-32815-19-60-A-6

TEGL 4-18

Project Overview

This Disaster Recovery National Dislocated Worker Grant funding will support the NHE DWG project providing disaster relief jobs and employment services to eligible individuals in nine Northern California counties impacted by the health and economic effects of widespread opioid use, addiction, and overdose.

Project Description

The US Department of Health and Human Services declared the opioid crisis a national public health emergency in October 2017. The proposed grant will provide eligible participants with disaster relief employment in jobs addressing the impacts of the opioid crisis, including peer supports, peer recovery navigators, and intake/coordinator aids. The project will also provide employment services to participants seeking careers in healthcare professions related to addiction, treatment, prevention, and pain management.
