

CAREER Dislocated Worker Grants

Comprehensive and Accessible Reemployment through Equitable Employment Recovery DWGs

TEGL 25-20

Delaware Department of Labor

Statewide

Grant Number: DW-37012-21-60-A-10

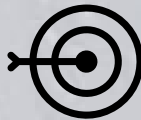

Project Overview

The grant recipient will prioritize service delivery to communities including minorities and individuals experiencing poverty, LGBTQ, military combat veterans, and individuals experiencing homelessness.

Project Description

The program plans to expand existing virtual communication, workshop, and career platforms to assist dislocated workers and residents of marginalized communities. Enhanced virtual platforms that can be integrated into the current operating system which will provide the AJCs with more outreach/recruitment tools better able to expand the capacity to identify and communicate with a larger number of dislocated workers at one time.

Project Goals

The goal of the program is to help reemploy dislocated workers most affected by the economic and employment fallout from the COVID-19 pandemic, in particular those from historically marginalized communities or groups, and those who have been unemployed for an extended period of time or who have exhausted Unemployment Insurance (UI) or other COVID-19-related UI programs.
