## Project Description

CrDeploy a virtual training platform and analytics tool; host the highest quality training programs from each local WDB area on the virtual training platform to expand access across the Midwest; and provide in-person and virtual career and training services.

## Project Goals

The goal of the program is to help reemploy dislocated workers most affected by the economic and employment fallout from the COVID-19 pandemic, in particular those from historically marginalized communities or groups, and those who have been unemployed for an extended period of time or who have exhausted Unemployment Insurance (UI) or other COVID-19-related UI programs.
