Severe Storms 2018

GRANT NUMBER: EM-32242-18-60-A-15

Islands of Kauai and Oahu

Qualifying Events

Severe storms occurred April 13 through April 16, 2018, bringing record amounts of rainfall, landslides, and mudslides. Collectively, the storm left 900 tons of debris on state and county roads, and left major thoroughfares and bridges impassable. The economic effects are apparent in the impacted areas, with agriculture, tourism and infrastructure sectors expected to sustain significant setbacks.

Proposal Summary

The Hawaii Department of Labor and Industrial Relations has submitted an application requesting \$500,000 in Disaster Recovery National Dislocated Worker Grant (DWG) funding. The purpose of the project is to create disaster relief employment for eligible individuals to assist with clean-up resulting from severe storms impacting the Hawaiian Islands of Kauai and Oahu.

Project Description

This project will create disaster relief employment for eligible individuals to assist in clean-up and recovery efforts related to a series of severe storms occurring April 13 through April 16, 2018.
