

National Health Emergency Dislocated Worker Grants

TEGL 4-18

Illinois

Grant Number: DW-33944-19-60-A-17

Counties of Adams, Brown, Bureau, Carroll, Cook, DeWitt, Hancock, Henderson, Jo Daviess, Knox, Lake, LaSalle, Lee, Macon, McDonough, Ogle, Pike, Putnam, Schuyler, Warren, Whiteside, and Will

Project Overview

This grant will serve approximately 300 participants from 22 counties impacted by the health and economic effects of widespread opioid use, addiction, and overdose. Used to train and employ participants for temporary disaster-relief positions addressing the local workforce impacts of the opioid crisis, the funding will also provide employment services to reintegrate individuals impacted by the crisis.

Project Description

This grant will provide eligible participants with disaster-relief employment in jobs addressing the crisis, such as behavioral health technicians, clinical support technicians, peer support navigators, and recovery coaches. The project will also assist eligible individuals directly impacted by the crisis with reintegration into the workforce, providing them employment and training services to prepare them for self-sustaining employment critical to a stable recovery.
