[Additional DWG Resources](#)

Trade and Economic Transition National Dislocated Worker Grants (DWG), with funding of up to \$100 million for each award, \$8 million for each individual award. This grant will enable successful applicants to address ongoing or emerging workforce and economic challenges by providing training and career services to dislocated workers seeking reentry into the workforce, and increasing their skill levels to become competitive for growing or high-demand employment opportunities.

*Planned Participants Served*

**300**

*Total Award Amount*

**\$ 2,691,943**

Project Service Area  
 Period of Award: September 2018-September 2020

**Economic Transition Factors**

Job loss, or employer or industrial reorganization due to trade or automation.

**Proposal Summary.**

The layoffs mentioned in this proposal are statewide. Depending on the location of layoff, certain industries and/or occupations are more prevalent than other in the area. Our efforts will focus on matching the right training in the right industries/occupations based on the specific location of the participant.

**Sectors of Focus**

Advanced Manufacturing, Transportation, Distribution, and Logistics (TDLL), Construction, Health Care, and Information Technology.

**Proposed Outcome**

As a major component of this grant proposal, NDOL will work to enhance the apprenticeship framework it has built over the last two years. We will look to connect participants into these in-demand and stale occupations.
