Severe Storms 2019

GRANT NUMBER: EM-33375-19-60-A-39

Counties of Athens, Gallia, Guernsey, Hocking, Jefferson, Lawrence, Meigs, Morgan, Perry, Ross, Scioto, Vinton, Washington.

Qualifying Events

The severe storms occurred February 5-13, 2019, impacting nearly one third of the State. The storm's 5-8 inches of record-breaking rainfall caused extreme flooding and embankment failures, along with extensive damage to critical roads and culverts. Ohio received a major disaster declaration from the Federal Emergency Management Agency (FEMA) on April 8, 2019, under Ohio Severe Storms, Flooding, and Landslides (DR-4424).

Proposal Summary

The Ohio Department of Job and Family Services submitted an application requesting \$8,828,533 in Disaster Recovery National Dislocated Worker Grant (DWG) funding. The purpose of the project is to create disaster-relief employment for eligible individuals to assist with cleanup and recovery activities in response to the recent severe storms and floods impacting southeast Ohio.

Project Description

This project will create disaster relief employment for eligible individuals to assist in cleanup and recovery efforts related to the Severe Storms, Flooding, and Landslides.
