

# Quality Jobs, Equity, Strategy, and Training (QUEST) Disaster Recovery Dislocated Worker Grant(DWG)

## Arizona

## Arizona QUEST

*Cochise, Mohave/La Paz,  
Yavapai and Yuma counties*

Grant Number: DW-39215-22-60-A-4

### Project Overview

This Disaster Recovery National Dislocated Worker Grant will focus on employment and training services offering: tuition assistance, support, and referral services to affordable and accessible community college certificate programs throughout Arizona; paid job-based training and apprenticeship opportunities through workforce development organizations; and career and support services to underrepresented and underserved dislocated workers.

QUEST TEGL 02-22

### Project Description

Strategic partnership activities will build on existing relationships with partners such as ARIZONA@WORK, Community Colleges, and business and industry partners to participate in the community advisory board, identify industry needs, and create training and apprenticeship opportunities for project participants. Community and potential participant outreach will be based on a coordinated, statewide AZ QUEST digital and print ad campaign to reach dislocated workers throughout the state. Business engagement activities will include statewide and local advisory boards with industry and community stakeholders

Period of Performance  9/26/2022 - 9/30/2024	Up To Amount  \$14,999,987
Planned Participants  1500	Target Population  Multiple groups
