

Quality Jobs, Equity, Strategy, and Training (QUEST) Disaster Recovery Dislocated Worker Grant(DWG)

Washington

LUMMI Nation

Lummi reservation (Skagit, Island, and Western Whatcom counties)

Grant Number: DW-39207-22-60-A-53

Project Overview

Employment and training activities will include career planning, work experience, classroom and on-the-job training, job placement assistance, and supportive services such as transportation, childcare, tools, and clothing to ensure successful participant and business partner outcomes.

QUEST TEGL 02-22

Project Description

Strategic partnership activities will include coordinating with the Lummi Indian Business Council and partners to forecast employment and training needs and ensuring culturally-appropriate training by engaging skilled tribal members to provide pre-vocational and occupational training.

Community and potential participant outreach activities will include targeted outreach campaigns via tribal social service providers, a community information session and other community events, and social media and traditional outreach campaigns.

Business engagement activities will include organizing cooperating Lummi Nation employers and industry partners into a program Employers Advisory Board (EAB) and coordinating with the local workforce development council.

Period of Performance  9/26/2022 - 9/30/2024	Award Amount  \$2,137,690
Planned Participants  150	Target Population  Multiple groups
