Severe Storms 2017

GRANT NUMBER: EM-31459-18-60-A-54

*Counties of Doddridge, Harrison, Marion, Marshall,
Monongalia, Ohio, Preston, Randolph, Taylor, Tucker,
Tyler and Wetzel*

Qualifying Events

Workforce West Virginia to create temporary disaster relief employment to assist with clean-up and recovery efforts resulting from the effects of a July 2017 storm event, which was declared a major disaster by the Federal Emergency Management Agency.

Proposal Summary

The funds will be used to provide for temporary employment on projects to assist with clean-up, demolition, repair, renovation, and reconstruction of destroyed public structures, facilities, and lands within the affected communities.

Recovery activities will address downed trees across roads and in public parks; flooded waterways cluttered with debris; and the repair of bridges and roadways damaged by landslides/mudslides

Project Description

The project will create about 65 temporary jobs for eligible individuals to assist with clean-up and recovery efforts in 12 counties affected by the severe storms and flooding.
