Element Number	Element Name	Description	Modification
0	OBS Number	This element must only contain numeric characters. This element must contain exactly 9 characters.	Implemented
100	Unique Individual Identifier (WIOA)	This element may contain both letters and numeric characters. This element must contain exactly 12 characters.	Implemented
101	State Code of Residence (WIOA)	This element may contain both letters and numeric characters. This element must contain exactly 2 characters.	Implemented
102	County Code of Residence	This element must only contain numeric characters. This element must contain exactly 3 characters.	Implemented
103	Zip Code of Residence	This element must only contain numeric characters. This element must contain exactly 5 characters.	Implemented
104	Economic/Labor Market Area and Physical Location Code	This element must only contain numeric characters. This element must contain no more than 9 characters.	Implemented
105	Special Project ID - 1	This element may contain both letters and numeric characters. This element must contain exactly 7 characters.	Implemented
106	Special Project ID - 2	This element may contain both letters and numeric characters. This element must contain exactly 7 characters.	Implemented

Element Number	Element Name	Description	Modification
107	Special Project ID - 3	This element may contain both letters and numeric characters. This element must contain exactly 7 characters.	Implemented
108-A	ETA-Assigned 1st Local Workforce Board Code	This element must only contain numeric characters. This element must contain exactly 5 characters.	Implemented
108-B	ETA-Assigned 2nd Local Workforce Board Code	This element may only contain numeric characters. This element must contain exactly 5 characters.	Implemented
108-C	ETA-Assigned 3rd Local Workforce Board Code	This element must only contain numeric characters. This element must contain exactly 5 characters.	Implemented
200	Date of Birth (WIOA)	The date can be invalid for any of the 4 reasons: 1. This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
201	Sex	This element must only contain numeric characters. This element must contain exactly 1 character. This element must be one of the following values: 1,2,9.	Implemented
202	Individual with a Disability (WIOA)	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0,9.	Implemented
203	Category Of Disability	This element must only contain numeric characters. This element must contain no more than 8 characters. Numbers in the series must only appear once. If 0 is included, no other values must be present. This element may contain any combination of the following values: 1,2,3,4,5,6,7,9,0.	Implemented

Element Number	Element Name	Description	Modification
204	Individual With A Disability SDDA Services	This element must only contain numeric characters. This element must contain no more than 1 character. This element may contain one of the following values: 1,0.	Implemented
205	Individual With A Disability LSMHA Services	This element must only contain numeric characters. This element must contain no more than 1 character. This element contain one of the following values: 1,0.	Implemented
206	Individual With A Disability Medicaid HCBS Services	This element must only contain numeric characters. This element must contain no more than 1 character. This element contain one of the following values: 1,0.	Implemented
207	Individual With A Disability Work Setting	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,2,3,4,5,0.	Implemented
208	Individual With A Disability Type of Customized Employment Services Received	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,2,3,4,0.	Implemented
209	Individual With A Disability Financial Capability	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,2,3,0.	Implemented
210	Ethnicity: Hispanic / Latino (WIOA)	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,0,9.	Implemented
211	American Indian / Alaska Native (WIOA)	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,0,9.	Implemented

Element Number	Element Name	Description	Modification
212	Asian (WIOA)	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,0,9.	Implemented
213	Black / African American (WIOA)	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,0,9.	Implemented
214	Native Hawaiian /Pacific Islander (WIOA)	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,0,9.	Implemented Updated
215	White (WIOA)	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,0,9.	Implemented
216	Middle Eastern / North African	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,0,9.	Implemented
300	Veteran Status	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,0,9.	Implemented
301	Eligible Veteran or Other Eligible Person	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,2,3,0,9.	Implemented Updated
302	Campaign Veteran	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,0,9.	Implemented Updated

Element Number	Element Name	Description	Modification
303	Service-Connected Disabled Veteran	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,2,0,9.	Implemented Updated
304	Date of Actual Military Separation	The date can be invalid for any of the 4 reasons: 1. This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date + 2 year. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
305	Transitioning Service Member	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,0.	Implemented
306	Covered Person Entry Date	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
307	TAP Workshop in 3 Prior Years	The date can be invalid for any of the 4 reasons: 1. This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
308	Homeless Veteran	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,0.	Implemented
309	Homeless Veterans' Reintegration Program Participant	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,0.	Implemented
310	Homeless Veterans' Reintegration Program Grantee	This element must only contain numeric characters. This element must contain exactly 5 characters.	Implemented

Element Number	Element Name	Description	Modification
311	Homeless Veterans' Reintegration Program Grantee #2	This element must only contain numeric characters. This element must contain exactly 5 characters.	Implemented
312	Reason the participant is being served by a second HVRP grantee	This element must only contain numeric characters. This element may contain exactly 2 characters. This element must contain one of the following values: 01,02,03,04.	Implemented
313	Homeless Veterans' Reintegration Program Grantee #3	This element must only contain numeric characters. This element must contain exactly 5 characters.	Implemented
314	Reason the participant is being served by a third HVRP grantee	This element must only contain numeric characters. This element may contain exactly 2 characters. This element must contain one of the following values: 01,02,03,04.	Implemented
315	Other Significant Barrier to Employment	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,0.	Implemented
316	Military-Connected Individual	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,2,3,4,0.	Implemented Updated
400	Employment Status at Program Entry (WIOA)	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,2,3,0.	Implemented
401	UC Eligible Status	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,2,3,4,5,0.	Implemented

Element Number	Element Name	Description	Modification
402	Long-Term Unemployed at Program Entry (WIOA)	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,2,3,0.	Implemented Updated
403	Occupational Code of Most Recent Employment Prior to Participation (if available)	This element must only contain numeric characters. This element must contain no more than 8 characters.	Implemented
404	Industry Code of Employment 1st Quarter Prior to Participation	This element must only contain numeric characters. This element must contain a minimum of 4 numeric characters This element must contain no more than 6 numeric characters.	Implemented
405	Industry Code of Employment 2nd Quarter Prior to Participation	This element must only contain numeric characters. This element must contain a minimum of 4 numeric characters This element must contain no more than 6 numeric characters.	Implemented
406	Industry Code of Employment 3rd Quarter Prior to Participation	This element must only contain numeric characters. This element must contain a minimum of 4 numeric characters This element must contain no more than 6 numeric characters.	Implemented
407	Highest School Grade Completed at Program Entry (WIOA)	This element must only contain numeric characters. This element must contain no more than 2 characters. This element must contain one of the following values: 1,2,3,4,5,6,7,8,9,10,11,12,0.	Implemented
408	Highest Educational Level Completed at Program Entry (WIOA)	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,8,0.	Implemented
409	School Status at Program Entry (WIOA)	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,2,3,4,5,6.	Implemented

Element Number	Element Name	Description	Modification
410	Date of Actual Dislocation	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date + 2 years. 3. All date values must have a year >= 1900. 4. All date values in a record must be > PIRL200 (Date of Birth)	Implemented
411	Most Recent Date of Qualifying Separation	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. 1527	Completion TRA - Weeks Approved This Quarter	This element must only contain numeric characters. This element must contain no more than 2 characters.	Implemented Updated
1528	Completion TRA - Total Weeks Approved	This element must only contain numeric characters. This element must contain no more than 2 characters.	Implemented Updated

Element Number	Element Name	Description	Modification
1529	Completion TRA - Current Quarter Expenditures	This element must contain no more than 7 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point. Negative values are accepted.	Implemented Updated
1530	Completion TRA - Total Expenditures	This element must contain no more than 7 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point. Negative values are accepted.	Implemented Updated
1531	TRA Overpayment	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
1532	TRA Overpayment - Total Amount	This element must contain no more than 7 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented Updated
1533	TRA Overpayment Waiver	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
1534	A/RTAA - Date Approved First Payment	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented Updated
1535	A/RTAA - Number of Payments This Quarter	This element must only contain numeric characters. This element must contain no more than 2 characters.	Implemented Updated
1536	A/RTAA - Current Quarter Expenditures	This element must contain no more than 7 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point. Negative values are accepted.	Implemented Updated

Element Number	Element Name	Description	Modification
1537	A/RTAA - Total Payments Approved	This element must only contain numeric characters. This element must contain no more than 3 characters.	Implemented Updated
1538	A/RTAA - Total Expenditures	This element must contain no more than 7 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point. Negative values are accepted.	Implemented Updated
1539	A/RTAA - Frequency of Payments	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4.	Implemented Updated
1540	Maximum A/RTAA Benefit Reached	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,0.	Implemented Updated
1541	A/RTAA Overpayment	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
1542	A/RTAA Overpayment - Total Amount	This element must contain no more than 7 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point. Negative values are accepted.	Implemented Updated
1543	A/RTAA Overpayment Waiver	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
1600	Employed in 1st Quarter After Exit Quarter (WIOA)	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,0,9.	Implemented

Element Number	Element Name	Description	Modification
1601	Type of Employment Match 1st Quarter After Exit Quarter (WIOA)	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,0.	Implemented Updated
1602	Employed in 2nd Quarter After Exit Quarter (WIOA)	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,0,9.	Implemented
1603	Type of Employment Match 2nd Quarter After Exit Quarter (WIOA)	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,0.	Implemented Updated
1604	Employed in 3rd Quarter After Exit Quarter (WIOA)	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,0,9.	Implemented
1605	Type of Employment Match 3rd Quarter After Exit Quarter (WIOA)	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,0.	Implemented Updated
1606	Employed in 4th Quarter After Exit Quarter (WIOA)	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,0,9.	Implemented
1607	Type of Employment Match 4th Quarter After Exit Quarter (WIOA)	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,0.	Implemented Updated
1608	Employment Related to Training (2nd Quarter After Exit) (WIOA)	2018,2020: This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0. 2021:This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0,9.	Implemented

Element Number	Element Name	Description	Modification
1609	First Recall by Layoff Employer	This element must only contain numeric characters. This element may contain exactly 1 character. This element may contain one of the following values: 1,2,0,9. This element can be left blank if it does not apply.	Implemented Updated
1610	Occupational Code (if available)	This element must only contain numeric characters. This element must contain no more than 8 characters.	Implemented
1611	Entered Non-Traditional Employment	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0,9.	Implemented
1612	Occupational Code of Employment 2nd Quarter After Exit Quarter (if available)	This element must only contain numeric characters. This element must contain exactly 8 characters.	Implemented
1613	Occupational Code of Employment 4th Quarter After Exit Quarter (if available)	This element must only contain numeric characters. This element must contain exactly 8 characters.	Implemented
1614	Industry Code of Employment 1st Quarter After Exit Quarter	This element must only contain numeric characters. This element must contain a minimum of 4 numeric characters This element must contain no more than 6 numeric characters.	Implemented
1615	Industry Code of Employment 2nd Quarter After Exit Quarter	This element must only contain numeric characters. This element must contain a minimum of 4 numeric characters This element must contain no more than 6 numeric characters.	Implemented
1616	Industry Code of Employment 3rd Quarter After Exit Quarter	This element must only contain numeric characters. This element must contain a minimum of 4 numeric characters This element must contain no more than 6 numeric characters.	Implemented

Element Number	Element Name	Description	Modification
1617	Industry Code of Employment 4th Quarter After Exit Quarter	This element must only contain numeric characters. This element must contain a minimum of 4 numeric characters This element must contain no more than 6 numeric characters.	Implemented
1618	Retention with the same employer in the 2nd Quarter and the 4th Quarter (WIOA)	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
1700	Earnings 3rd Quarter Prior to Participation Quarter	This element must contain no more than 6 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented
1701	Earnings 2nd Quarter Prior to Participation Quarter	This element must contain no more than 6 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented
1702	Earnings 1st Quarter Prior to Participation Quarter	This element must contain no more than 6 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented
1703	Earnings 1st Quarter After Exit Quarter (WIOA)	2018, 2020: This element must contain no more than 6 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point. 2021:This element must contain no more than 7 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented
1704	Earnings 2nd Quarter After Exit Quarter (WIOA)	2018, 2020: This element must contain no more than 6 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point. 2021:This element must contain no more than 7 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented
1705	Earnings 3rd Quarter After Exit Quarter (WIOA)	2018, 2020: This element must contain no more than 6 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point. 2021:This element must contain no more than 7 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented

Element Number	Element Name	Description	Modification
1706	Earnings 4th Quarter After Exit Quarter (WIOA)	2018, 2020: This element must contain no more than 6 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point. 2021:This element must contain no more than 7 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented
1800	Type of Recognized Credential (WIOA)	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,0.	Implemented
1801	Date Attained Recognized Credential (WIOA)	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
1802	Type of Recognized Credential #2	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,0.	Implemented
1803	Date Attained Recognized Credential #2	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
1804	Type of Recognized Credential #3	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,0.	Implemented
1805	Date Attained Recognized Credential #3	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
1806	Date of Most Recent Measurable Skill Gains: Educational Functioning Level (EFL)	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented

Element Number	Element Name	Description	Modification
1807	Date of Most Recent Measurable Skill Gains: Postsecondary Transcript/Report Card (WIOA)	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
1808	Date of Most Recent Measurable Skill Gains: Secondary Transcript/Report Card (WIOA)	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
1809	Date of Most Recent Measurable Skill Gains: Training Milestone (WIOA)	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
1810	Date of Most Recent Measurable Skill Gains: Skills Progression (WIOA)	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
1811	Date Enrolled During Program Participation in an Education or Training Program Leading to a Recognized Credential or Employment	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
1812	School Status at Exit	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6.	Implemented
1813	Date Completed During Program Participation an Education or Training Program Leading to a Recognized Credential or Employment	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
1814	Date Attained Graduate/Post Graduate Degree(WIOA)	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented

Element Number	Element Name	Description	Modification
1900	Youth 2nd Quarter Placement (Title I) (WIOA)	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,0.	Implemented
1901	Youth 4th Quarter Placement (Title I) (WIOA)	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,0.	Implemented
1902	Category of Assessment #1	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,0.	Implemented
1903	Date of Pre-Test Score #1	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
1904	Pre-Test Score #1	This element must only contain numeric characters. This element must contain no more than 3 characters.	Implemented
1905	Educational Functioning Level Pre-Test #1	This element must only contain numeric characters. This element must contain no more than 2 characters. This element must contain one of the following values: 0,1,2,3,4,5,6,7,8,9,10,11,12.	Implemented
1906	Date of Most Recent Post-Test Score #1	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
1907	Post-Test Score #1	This element must only contain numeric characters. This element must contain no more than 3 characters.	Implemented

Element Number	Element Name	Description	Modification
1908	Educational Functioning Level Post-Test #1	This element must only contain numeric characters. This element must contain no more than 2 characters. This element must contain one of the following values: 0,1,2,3,4,5,6,7,8,9,10,11,12.	Implemented
1909	Category of Assessment #2	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,2,3,0.	Implemented
1910	Date of Pre-Test Score #2	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
1911	Pre-Test Score #2	This element must only contain numeric characters. This element must contain no more than 3 characters.	Implemented
1912	Educational Functioning Level Pre-Test #2	This element must only contain numeric characters. This element must contain no more than 2 characters. This element must contain one of the following values: 0,1,2,3,4,5,6,7,8,9,10,11,12.	Implemented
1913	Date of Most Recent Post-Test Score #2	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
1914	Post-Test Score #2	This element must only contain numeric characters. This element must contain no more than 3 characters.	Implemented
1915	Educational Functioning Level Post-Test #2	This element must only contain numeric characters. This element must contain no more than 2 characters. This element must contain one of the following values: 0,1,2,3,4,5,6,7,8,9,10,11,12.	Implemented

Element Number	Element Name	Description	Modification
1916	Category of Assessment #3	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,0.	Implemented
1917	Date of Pre-Test Score #3	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
1918	Pre-Test Score #3	This element must only contain numeric characters. This element must contain no more than 3 characters.	Implemented
1919	Educational Functioning Level Pre-Test #3	This element must only contain numeric characters. This element must contain no more than 2 characters. This element must contain one of the following values: 0,1,2,3,4,5,6,7,8,9,10,11,12.	Implemented
1920	Date of Most Recent Post-Test Score #3	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
1921	Post-Test Score #3	This element must only contain numeric characters. This element must contain no more than 3 characters.	Implemented
1922	Educational Functioning Level Post-Test #3	This element must only contain numeric characters. This element must contain no more than 2 characters. This element must contain one of the following values: 0,1,2,3,4,5,6,7,8,9,10,11,12.	Implemented
2001	Date of Completion of DWG Services	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented

Element Number	Element Name	Description	Modification
2002	Employed at Completion of DWG Services	1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD.	Implemented
2003	DWG Grant Number #1	This element must contain a valid ETA-assigned grant number, containing 13 or 14 alphabetic characters. The grant number must be entered without dashes (-). Leave blank if the participant did not receive services funded by this program. The element is verified against a list of valid grant numbers.	Implemented Updated
2004	Received Services through a Disaster Recovery Dislocated Worker Grant	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,0.	Implemented
2101	Underemployed Worker	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2102	Previous Quarter Received Case Management Service	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2103	Most Recent Date Received Assessment Services	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2104	Previous Quarter Received Assessment Services	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2105	Previous Quarter Received Supportive Services	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented

Element Number	Element Name	Description	Modification
2106	Most Recent Date Received Specialized Participant Services	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2107	Previous Quarter Received Specialized Services	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2108	Previous Quarter Participated in Work Experience	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2109	Primary Type of Training Service for Training Activity #1	2018, 2020: This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,8,0. 2021: This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,0.	Implemented
2110	Secondary Type of Training Service for Training Activity #1	2018, 2020: This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,8,0. 2021: This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,0.	Implemented
2111	Tertiary Type of Training Service for Training Activity #1	2018, 2020: This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,8,0. 2021: This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,0.	Implemented
2112	Primary Type of Training Service for Training Activity #2	2018, 2020: This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,8,0. 2021: This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,0.	Implemented
2113	Secondary Type of Training Service for Training Activity #2	2018, 2020: This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,8,0. 2021: This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,0.	Implemented

Element Number	Element Name	Description	Modification
2114	Tertiary Type of Training Service for Training Activity #2	2018, 2020: This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,8,0. 2021: This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1 2 3 4 5 6 7 0	Implemented
2115	Primary Type of Training Service for Training Activity #3	2018, 2020: This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,8,0. 2021: This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1 2 3 4 5 6 7 0	Implemented
2116	Secondary Type of Training Service for Training Activity #3	2018, 2020: This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,8,0. 2021: This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1 2 3 4 5 6 7 0	Implemented
2117	Tertiary Type of Training Service for Training Activity #3	2018, 2020: This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,8,0. 2021: This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1 2 3 4 5 6 7 0	Implemented
2118	Date Entered Employment (Discretionary Grants)	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2119	Incumbent Workers Retained Current Position	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0,9.	Implemented
2120	Advanced into a New Position with Current or New Employer after Completion	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented Updated
2121	Incumbent Workers Retained Current Position in the 2nd Quarter after Program Completion	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0,9.	Implemented

Element Number	Element Name	Description	Modification
2122	Incumbent Workers Advanced into a New Position with Current Employer or New Employer in the 2nd Quarter after Training Program Completion	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0,9.	Implemented
2123	Incumbent Workers Retained Current Position in the 3rd Quarter After Program Completion	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0,9.	Implemented
2124	Incumbent Workers Advanced into a New Position with Current or New Employer in the 3rd Quarter after Training Program Completion	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0,9.	Implemented
2126	Entered Training-Related Employment After Training Program Completion	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0,9.	Implemented
2200	For Those Who Were Placed in Employment: Job Covered by Unemployment Insurance	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2201	For Those Who Were Placed in Employment: FIPS Code of State Where Job is Located	This element must only contain numeric characters. This element must contain no more than 2 characters.	Implemented
2202	For Those Who Were Placed in Employment: Fringe Benefits Available/ Received	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2203	For Those Who Were Placed in Employment: Hourly Wage at Placement	This element must contain no more than 7 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented

Element Number	Element Name	Description	Modification
2204	For Those Who Were Placed in Employment: Hours Worked per Week	This element must only contain numeric characters. This element must contain no more than 2 characters.	Implemented
2205	For Those Who Were Placed in Employment: Self-Employment	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2206	For Those Who Were Placed in Employment: Entered Military Service	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2207	For Those Who Were Placed in Employment: Entered Pre-Apprenticeship or Registered Apprenticeship Program	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,0.	Implemented
2208	Category of Exit	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,8.	Implemented
2209	Related assistance: Transportation	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2210	Related assistance: Health Care	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2211	Family Care (including child care)	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented

Element Number	Element Name	Description	Modification
2212	Housing Services	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,0.	Implemented
2213	Related assistance: Nutritional Assistance	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2214	Related assistance: Translation and Interpretation Services	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2215	Related assistance: Staff Assisted	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2216	Received Worker Safety Training	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2217	Work Experience funded by 167 grant	This element must only contain numeric characters. This element must contain no more than 4 characters.	Implemented
2218	On-the-job Training (OJT) funded by 167 grant	This element must only contain numeric characters. This element must contain no more than 4 characters.	Implemented
2219	Integrated Basic/Occupational Skills Training funded by 167 grant	This element must only contain numeric characters. This element must contain no more than 4 characters.	Implemented

Element Number	Element Name	Description	Modification
2220	Occupational Skills Training (Non-OJT) funded by 167 grant	This element must only contain numeric characters. This element must contain no more than 4 characters.	Implemented
2221	Basic Skills Training funded by 167 grant	This element must only contain numeric characters. This element must contain no more than 4 characters.	Implemented
2222	Lacks Transportation	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2223	Long-term Agricultural Employment	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2224	Lacks Significant Work History	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2225	6 month pre-program earnings during the 6-months prior to date of application	This element must contain no more than 6 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented
2226	Total pre-program earnings during 12-month eligibility determination period	This element must contain no more than 6 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented
2227	Number of dependents in the family under age 18	This element must only contain numeric characters. This element must contain no more than 2 characters.	Implemented

Element Number	Element Name	Description	Modification
2230	Concurrent Participation E&T Programs under Dept of HUD	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2231	Date of Eligibility Determination	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be a PIRL200 (Date of Birth)	Implemented
2232	Family status for NFJP Housing Services(WIOA Sec. 167)	2018, 2020: This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2. 2021:This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 0,1,2,3,4	Implemented
2233	NFJP Grant Enrollment	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2.	Implemented
2301	Current Version of BearTracks Software	This element may contain both letters and numeric characters. This element must contain no more than 26 characters. This element may contain special characters.	Implemented
2302	Tribal Affiliation	This element must only contain numeric characters. This element must contain no more than 6 characters.	Implemented
2303	Public Assistance Recipient	This element must only contain numeric characters. This element must contain no more than 8 characters. This element may contain any combination of the following values: 1,2,3,4,5,6,7,8,0. Numbers in the series can only appear once. If 0 is included, no other values can be present.	Implemented
2400	In Work Release Program	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented

Element Number	Element Name	Description	Modification
2401	Employment Status at Incarceration	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,9,0.	Implemented
2402	Citizenship Status	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,9.	Implemented
2403	Authorized to Work	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0,9.	Implemented
2404	Alcohol/Drug Abuse at Enrollment	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0,9.	Implemented
2405	Significant Health Issues	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0,9.	Implemented
2407	Medical Benefits Since Release from Incarceration	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0,9.	Implemented
2408	Mental Health Treatment	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0,9.	Implemented
2409	Child Support Obligation at Enrollment	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0,9.	Implemented

Element Number	Element Name	Description	Modification
2410	Child Support Obligation Amount at Enrollment	This element must contain no more than 6 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented
2411	Types of Medical Benefits Prior to Incarceration	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,0,9.	Implemented
2412	Criminal Justice System Identifier	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6.	Implemented
* 2413	Incarcerated at Program Entry (WIOA)	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
*2414	Date Released from Incarceration (WIOA)	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth).	Implemented
2415	Date of Anticipated Release From Incarceration	The date can be invalid for any of the 3 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must have a year >= 1900. 3. All date values in a record must be >= PIRL200 (Date of Birth).	Implemented
2416	Post-Release Status	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4.	Implemented
2417	Most Recent Type of Offense	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,9.	Implemented

Element Number	Element Name	Description	Modification
2418	Distance Between Incarcerating Institution and PRI (RExO) Location	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3.	Implemented
2419	Prior Criminal History	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2420	Pre-Release Services	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2421	Release Conditions	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,0.	Implemented
2422	Housing Status at Six Months After Program Entry	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,8,9,0.	Implemented Updated
2423	Housing Status at Enrollment	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,8,9,0.	Implemented Updated
2424	Alcohol/Drug Abuse Six Months After Enrollment	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2425	Individual Development Plan (IDP) Goal Type	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3.	Implemented

Element Number	Element Name	Description	Modification
2427	Expected Duration of vocational/occupational skills training	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4.	Implemented
2428	Expected Cost of Vocational/Occupational Skills Training	This element must contain no more than 6 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented
2429	Hourly wage at employment placement	This element must contain no more than 6 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented
2430	Number of hours worked first full week	This element must only contain numeric characters. This element must contain no more than 2 characters.	Implemented
2431	Date of Entered Postsecondary education	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2433	Re-arrested within 12 months of Release for a New Crime	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2434	Re-arrested for a previous crime	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0,9.	Implemented
2435	Re-incarcerated for a revocation of the parole or probation order for violations of terms of sentence	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,0.	Implemented

Element Number	Element Name	Description	Modification
2436	Not Re-arrested	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2437	Date arrested for new/previous crime	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2438	Convicted for new/previous crime	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2439	Date re-incarcerated	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2440	Date charges dropped	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2442	Mode of contact	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,0.	Implemented
2443	Successful Follow-up	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2445	Hourly Wage at Follow-up	This element must contain no more than 6 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented

Element Number	Element Name	Description	Modification
2500	Secondary school enrollment status at arrest	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,0.	Implemented
2501	Secondary school enrollment status at enrollment into program	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,0.	Implemented
2502	Youth Offender status at enrollment	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,8,0.	Implemented
2503	Date released from correctional facility or placed on probation	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2505	Date verified Selective Service registration	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2506	Voter registration	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,0.	Implemented Updated
2507	Driver's license	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,0.	Implemented Updated
2508	Service code	This element must only contain numeric characters. This element must contain no more than 30 characters. Numbers in the series must only appear once. If 00 is included, no other values must be present. This element may contain any combination of the following values: 01,02,03,04,05,06,07,08,09,10,11,12,13,14,15,16,17,18,19,20,21,22,23,24,25,26,27,28,29,30,31,32,33,34,35,36,37,38,00.	Implemented

Element Number	Element Name	Description	Modification
2509	First date of service	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2510	Completed diversion without out-of-home placement	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2511	Records expunged	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2512	Records sealed	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2513	Hours per week of vocational training	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,0.	Implemented
2514	Received mentoring 6 or more months	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2516	Date of postsecondary education or training placement	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2517	Full-time or part-time education	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,0.	Implemented

Element Number	Element Name	Description	Modification
2519	Hourly training wage	This element must contain no more than 6 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented
2521	Reached 12-month point since return to secondary school or since entering the program while in secondary school.	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2522	Remained in regular secondary school or alternative school for 12 months	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2523	Date entered degree or certificate program:	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2525	Date arrested for new crime after enrollment	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2526	Convicted - New crime after enrollment	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented Updated
2527	Type of crime	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3.	Implemented
2528	Reached 12-month point since release from correctional facility or placement on probation	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented

Element Number	Element Name	Description	Modification
2529	Convicted for new crime committed within 12 months of release from correctional facility or placement on probation	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2530	Incarcerated for new crime committed after enrollment	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2531	Reason leaving the program early	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7.	Implemented
2532	Employment and Education Status at Follow-up	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,8,0.	Implemented
2533	Hours worked in first full week	This element must only contain numeric characters. This element must contain no more than 2 characters.	Implemented
2534	Educational Status at Follow-up	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,0.	Implemented
2535	Enrolled in continuation or alternative school	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2536	Enrolled in secondary school equivalency courses	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented

Element Number	Element Name	Description	Modification
2537	Attending postsecondary school full-time or part-time	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,0.	Implemented
2538	Enrolled in vocational training	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2539	Hours attending vocational training in first full week	This element must only contain numeric characters. This element must contain no more than 2 characters.	Implemented
2540	Hourly wages in vocational training	This element must contain no more than 6 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented
2541	Receiving public assistance since leaving the program	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,0.	Implemented
2542	Arrested for new crime in follow-up period	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2543	Date arrested for new crime in follow-up period	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2544	Convicted for new crime committed in follow-up period	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented

Element Number	Element Name	Description	Modification
2545	Incarcerated for new crime committed in follow-up period	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2546	Housing Status at follow-up	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3.	Implemented
2547	Received mentoring during follow-up	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2548	Received secondary school diploma or certificate since leaving the program	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5.	Implemented
2600	Construction Plus Grantee	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2601	Cohort Identifier	This element must contain both letters and numeric characters. This element must contain exactly 7 characters. The first 3 characters must be letters and the last 4 characters must numeric.	Implemented
2602	Team Identifier	This element may contain both letters and numeric characters. This element must contain no more than 5 characters.	Implemented
2603	Completed mental toughness component	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0,9.	Implemented

Element Number	Element Name	Description	Modification
2605	Children living with participant	This element must only contain numeric characters. This element must contain no more than 2 characters.	Implemented
2606	Other dependents living with participant	This element must only contain numeric characters. This element must contain no more than 2 characters.	Implemented
2607	Migrant Youth	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2608	Offender	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,0.	Implemented
2609	Secondary School Drop-Out	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2610	Child of Incarcerated Parent or Legal Guardian	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2611	Health Issues	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,9.	Implemented
2612	Occupation at Enrollment	This element must only contain numeric characters. This element must contain no more than 2 characters. This element must contain one of the following values: 11,13,15,17,19,21,23,25,27,29,31,33,35,37,39,41,43,45,47,49,51,53,55,0.	Implemented

Element Number	Element Name	Description	Modification
2613	Hours Worked at Enrollment	This element must only contain numeric characters. This element must contain no more than 2 characters.	Implemented
2614	Average Hourly Wage at Enrollment	This element must contain no more than 6 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented
2616	Housing Status	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,0.	Implemented
2700	Social Security Number	This element must only contain numeric characters. This element must contain exactly 9 characters.	Implemented
2701	Workforce Development Board (WDB) Name	This element may contain letters, numbers, and special characters. This element must contain no more than 75 characters. Note that non-printable characters are not allowed.	Implemented Updated
2702	Office Name	This element may contain letters, numbers, and special characters. This element must contain no more than 75 characters. Note that non-printable characters are not allowed.	Implemented
2703	Case Manager	This element may contain letters, numbers, and special characters. This element must contain no more than 75 characters. Note that non-printable characters are not allowed.	Implemented
2704	User Field 1	This element may contain letters, numbers, and special characters. This element must contain no more than 75 characters. Note that non-printable characters are not allowed.	Implemented

Element Number	Element Name	Description	Modification
2704B	User Field 2	This element may contain letters, numbers, and special characters. This element must contain no more than 75 characters. Note that non-printable characters are not allowed.	Implemented
2800	Urban/Rural	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2.	Implemented
2801	Family Size	This element must only contain numeric characters. This element must contain no more than 2 characters.	Implemented
2802	Family Income Poverty Level	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2803	Veteran, Post-9/11 Era	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2804	At Risk of Homelessness	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2805	Failed to Find Employment After Receiving WIOA Title I Services	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2806	Low Employment Prospects	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented

Element Number	Element Name	Description	Modification
2807	SCSEP Eligible	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2808	Reason for Ineligibility (Recert)	This element must only contain numeric characters. This element must contain no more than 4 characters. Numbers in the series must only appear once. This element may contain any combination of the following values: 1,2,3,0.	Implemented
2809	Date of Recertification Determination	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2810	Severe Disability	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2811	Date of Last Update (Severe Disability)	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2812	Frailty	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2813	Date of Last Update (Frailty)	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2814	Old Enough for but Not Receiving Social Security Title II	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented

Element Number	Element Name	Description	Modification
2815	Date of Last Update (Old Enough for but Not Receiving Social Security Title II)	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2816	Severely Limited Employment Prospects in Area of Persistent Unemployment	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2817	Date of Last Update (Severely Limited Employment Prospects in Area of Persistent Unemployment)	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2818	Limited English Proficiency	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2819	Date of Last Update (Limited English Proficiency)	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2820	Low Literacy Skills	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2821	Date of Last Update (Low Literacy Skills)	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2822	Type of Placement	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2.	Implemented

Element Number	Element Name	Description	Modification
2824	Participant returned to SCSEP within the first 90 days of exit	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2825	Has the participant re-enrolled in SCSEP within the first 90 days after exit?	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 2,0.	Implemented
2826	Approved Break Start	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2827	Approved Break End Date	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2828	Reason for Approved Break in Participation	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4.	Implemented
2829	Participant Community Service Assignment	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3.	Implemented
2830	Supportive Service Provider	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4.	Implemented
2831	Wage per Hour (Community Service Assignment)	This element must contain no more than 6 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented

Element Number	Element Name	Description	Modification
2832	Total Hours Paid in 1st Quarter	This element must only contain numeric characters. This element must contain no more than 3 characters.	Implemented
2833	Total Hours Paid in 2nd Quarter	This element must only contain numeric characters. This element must contain no more than 3 characters.	Implemented
2834	Total Hours Paid in 3rd Quarter	This element must only contain numeric characters. This element must contain no more than 3 characters.	Implemented
2835	Total Hours Paid in 4th Quarter	This element must only contain numeric characters. This element must contain no more than 3 characters.	Implemented
2836	Total Hours of Paid Training in 1st Quarter	This element must only contain numeric characters. This element must contain no more than 3 characters.	Implemented
2837	Total Hours of Paid Training in 2nd Quarter	This element must only contain numeric characters. This element must contain no more than 3 characters.	Implemented
2838	Total Hours of Paid Training in 3rd Quarter	This element must only contain numeric characters. This element must contain no more than 3 characters.	Implemented
2839	Total Hours of Paid Training in 4th Quarter	This element must only contain numeric characters. This element must contain no more than 3 characters.	Implemented

Element Number	Element Name	Description	Modification
2840	Other Reasons for Exit (SCSEP-Only)	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,8,9.	Implemented
2841	Exclusion After Exit	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4.	Implemented
2842	Date Exclusion Occurred	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2843	Host Agency Employer	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
2844	Employer Type	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4.	Implemented
2845	Placement Start Date	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2846	Placement End Date	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2847	SCSEP Application Date	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented

Element Number	Element Name	Description	Modification
2900	RAPIDS Number	This element may contain letters, numbers, and special characters. This element must contain 10, 11 or 12 characters. This element can be blank. Note that non-printable characters are not allowed.	Implemented
2901	Pre-Apprenticeship Program Status	This element must only contain numeric character. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4.	Implemented Updated
2902	Date Enrolled in Pre-Apprenticeship	The date can be invalid for any of the 4 reasons: 1. This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2903	Expected Completion Date: Pre-Apprenticeship	The date can be invalid for any of the 3 reasons: 1. This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must have a year >= 1900. 3. All date values in a record must be >= PIRL200 (Date of Birth).	Implemented Updated
2904	In Pre-Apprenticeship Program with an Articulated Agreement	This element must only contain numeric character. This element must contain exactly 1 character. This element must contain one of the following values: 1,2	Implemented
2905	Date Completed Pre-Apprenticeship	The date can be invalid for any of the 4 reasons: 1. This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2906	Date Changed Status from Pre-Apprentice to Apprentice	The date can be invalid for any of the 4 reasons: 1. This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2907	Apprenticeship Program Status	This element must only contain numeric character. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3	Implemented

Element Number	Element Name	Description	Modification
2908	Date Started Apprenticeship	The date can be invalid for any of the 4 reasons: 1. This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
2909	Expected Completion Date: Apprenticeship	The date can be invalid for any of the 3 reasons: 1. This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must have a year >= 1900. 3. All date values in a record must be >= PIRL200 (Date of Birth).	Implemented Updated
2910	Type of Apprenticeship Program	This element must only contain numeric character. This element must contain exactly 1 characters. This element must contain one of the following values: 1,2,3	Implemented
2911	Date Completed Apprenticeship	The date can be invalid for any of the 4 reasons: 1. This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented

2913	Type of Supportive Services Received	This element must only contain numeric characters. This element may contain 1 to 3 characters.This element must contain one of the following values: 1,2,3,4,5	Implemented
2914	Supportive Service Funding	This element must only contain numeric characters. This element may contain 1 to 3 characters.This element must contain one of the following values: 1,2,3,4,5,6	Implemented
2914	Registered Apprenticeship Grants Program Status	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3.	Implemented Updated

Element Number	Element Name	Description	Modification
2915	Received OJT Services (Identification of Funding Source(s))	This element must only contain numeric characters. This element may contain 1 to 3 characters. This element must contain one of the following values: 1,2,3,4,5	Implemented
2916	Received RTI Services (Identification of Funding Source(s))	This element must only contain numeric characters. This element may contain 1 to 3 characters. This element must contain one of the following values: 1,2,3,4,5,6	Implemented
2917	Exit Wage	This element must contain no more than 3 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented
2918	Wage at Entry into Apprenticeship	This element must contain no more than 3 numeric characters to the left of the decimal point and 2 numeric characters to the right of the decimal point.	Implemented
2920	Apprenticeship Grant Number	This element must match the grant numbers provided by the Apprenticeship Program office.	Implemented
3000	Direct Referral from Justice System	This element must only contain numeric characters. This element must contain no more than 1 character. This element may contain one of the following values: 0,1	Implemented
3001	Most Recent Date Participating in Community Service/Restorative Justice	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
3002	Received Legal Services	This element must only contain numeric characters. This element may contain 1 to 5 characters.This element must contain one of the following values: 1,2,3,4,5. Numbers in the series can only appear once.	Implemented

Element Number	Element Name	Description	Modification
3003	Received Housing Assistance, Substance Abuse Treatment, or Mental Health Treatment	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,2,3,4,5,6	Implemented
3003	Received Housing Assistance, Substance Abuse Treatment, or Mental Health Treatment	This element must only contain numeric characters. This element may contain 1 to 6 characters.This element must contain one of the following values: 1,2,3,4,5,6. Numbers in the series can only appear once.	Implemented
3004	Individualized Services ProvidedVirtual/Online	This element must only contain numeric characters. This element must contain no more than 1 character. This element may contain one of the following values: 0,1, 2	Implemented
3005	Transitioning Service Member Warm Handover	This element must only contain numeric characters. This element must contain no more than 1 character. This element may contain one of the following values: 0,1, 2,3	Implemented
3006	Transitioning Service Member Housing Plan	This element must only contain numeric characters. This element must contain no more than 1 character. This element may contain one of the following values: 0,1, 2	Implemented
3007	Referred from Department of Veterans Affairs (VA) Services	This element must only contain numeric characters. This element must contain no more than 1 character. This element may contain one of the following values: 1, 2, 2,3, 4,5, 9	Implemented
3008	Family Unit Size	This element must only contain numeric characters. This element must contain no more than 2 character.	Implemented
3009	Formerly Incarcerated	This element must only contain numeric characters. This element must contain no more than 1 character. This element may contain one of the following values: 0, 1	Implemented

Element Number	Element Name	Description	Modification
3010	Date of Last Update (Formerly Incarcerated)	The date can be invalid for any of the 4 reasons: 1.This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
3011	Sexual Orientation	This element must only contain numeric characters. This element must contain no more than 1 character. This element must contain one of the following values: 1,2,3,4,9.	Implemented Updated
3012	Armed Forces Service Medal Veteran	This element must only contain numeric characters. This element must contain no more than 1 character. This element may contain one of the following values: 1,0,9. This element can be left blank if it does not apply.	Implemented
3013	Off-Base Transition Training Participant	This element must only contain numeric characters. This element must contain exactly 1 character. This element must contain one of the following values: 1,0.	Implemented
3014	Last Branch of Military Service	This element must only contain numeric character. This element must contain exactly 1 character. This element must contain one of the following values: 1,2,3,4,5,6,7,0.	Implemented
3015	Date of First DVOP Service	The date can be invalid for any of the 4 reasons: 1. This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
3016	For Those Who Were Placed in Employment: Union Membership	This element must only contain numeric characters. This element must contain exactly 1 character. This element may contain one of the following values: 1,0. This element can be left blank if it does not apply.	Implemented
3017	Type of Training Received While Incarcerated	This element must only contain numeric characters. This element must contain exactly 2 characters. This element must contain one of the following values: 01,02,03,04,05,06,07,08,09,10,11,12,13,00. This element can be left blank if it does not apply.	Implemented

Element Number	Element Name	Description	Modification
3018	Gang Affiliation	This element must only contain numeric characters. This element must contain exactly 1 character. This element may contain one of the following values: 1,0. This element can be left blank if it does not apply.	Implemented
3019	Criminal Justice ID/ Inmate Number	This element may contain both letters and numeric characters. This element must contain exactly 12 characters. This element can be left blank if it does not apply.	Implemented
3020	Date Started Registered Apprenticeship Program (Incumbent Registered Apprentice)	The date can be invalid for any of the 4 reasons: 1. This element must only contain numeric characters. This element must contain exactly 8 numeric characters. This element must be a date formatted as YYYYMMDD. 2. All date values must be <= the upload date. 3. All date values must have a year >= 1900. 4. All date values in a record must be >= PIRL200 (Date of Birth)	Implemented
3021	DWG Grant Number #2	This element must contain a valid ETA-assigned grant number, containing 13 or 14 alphabetic characters. The grant number must be entered without dashes (-). Leave blank if the participant did not receive services funded by this program. The element is verified against a list of valid grant numbers.	Implemented
