Youth in foster care or aged out of system	13	6		7	77.8%	4	57.1%	\$3,922		60.0%		50.0%

ADDITIONAL COMMENTS:

Iowa is pleased to report that with extensive technical assistance and training to local areas, a successful Virtual Youth Summit delivered this past year to address enrollment, outreach and recruitment to youth, Youth enrollment and participation numbers have increased significantly. Training and technical assistance will continue to be provided statewide and with specific Local Workforce Development Areas to resolve challenges in meeting local performance outcomes. Local areas have improved in focusing efforts on work experience for youth. This also provides an explanation for increased costs in the delivery of career services. Efforts for PY23 include continued improvements in data integrity, review of Youth services and service delivery and the provision of oversight and technical assistance to local areas. Iowa has seen improvements in reporting Youth Credential Attainment and Measurable Skills Gain and remain steady in Employment 2nd, 4th and Median Earnings from PY21.

¹Applies to Title I only.

²This indicator also includes those who entered into a training or education program for the Youth program.

³Credential Rate and Measurable Skill Gains do not apply to the Wagner-Peyser program.

⁴Barriers to Employment are determined at the point of entry into the program.

Public Burden Statement (1205-ONEW)

Persons are not required to respond to this collection of information unless it displays a currently valid OMB control number. Respondent's reply to these reporting requirements is mandatory (Workforce Innovation and Opportunity Act, Section 116). Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate to the Office of Policy Development and Research • U.S. Department of Labor • Room N-5641 • 200 Constitution Ave., NW, • Washington, DC • 20210. Do NOT send the completed application to this address.
