Youth in foster care or aged out of system	7				100.0%		75.0%	\$1,348				

ADDITIONAL COMMENTS:

On Friday, August 09, 2024, Rhode Island Department of Labor and Training (RIDLT) reported to the U.S. Department of Labor, Employment and Training Administration (ETA) an error on Data Element 1700 for the following unique identifier, '000000778249' as validated wages for this record exceed the highest possible value allowable in this field. Through multiple levels of validation, Rhode Island established that wages above the highest possible value allowed were accurate. Per guidance from ETA received via WIOA Feedback including the Office of Policy Development and Research, ETA requested that Rhode Island enter the highest possible value that is not all 9s (999,999.98) in the field as well as enter a comment when certifying the file. Rhode Island made the requested adjustment, and such is this comment.

On October 17, 2024, RIDLT attended an all-user group meeting led by our Management Information System (MIS) vendor Geographic Solutions in which a possible change to a current MIS business rule regarding Wagner Peyser co-enrollment participation was discussed. In the coming months, RIDLT will be assessing any possible impact the current rule change may have on data co-enrollment practices.

¹Applies to Title I only.

²This indicator also includes those who entered into a training or education program for the Youth program.

³Credential Rate and Measurable Skill Gains do not apply to the Wagner-Peyser program.

⁴Barriers to Employment are determined at the point of entry into the program.

Numbers entered into cells in this template are the same as the corresponding "report item number" on the report specification document. Clicking on each hyperlink will take the user to the plain text language

Public Burden Statement (1205-ONEW)

Persons are not required to respond to this collection of information unless it displays a currently valid OMB control number. Respondent's reply to these reporting requirements is mandatory (Workforce Innovation and Opportunity Act, Section 116). Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate to the Office of Policy Development and Research • U.S. Department of Labor • Room N-5641 • 200 Constitution Ave., NW, • Washington, DC • 20210. Do NOT send the completed application to this address.
