What's New:

❖ **My Reports Enhancement**

➢ **Data Export**

- The National Dislocated Worker Grants Rollup Report and Excel Export is now available.

- The National Dislocated Worker Grants Rollup Report Export can be accessed from "Reports" tab under "National Quarterly Discretionary Reports".

- The National Dislocated Worker Grants Rollup Report Export is a rolled-up single report on interface and a excel export of all certified QPRs in different tabs.

- User must select the valid Quarter End Date.

- User must select "National Dislocated Worker Grants" selection from the program filter.

- Once "National Dislocated Worker Grants" is selected in the Program filter, the Grant number(s) will be populated.

- The "Export Spreadsheet" button is enabled.

- User should click on the "Export Spreadsheet" button to extract all the certified QPR data for 3 Time periods.

- User will get an email notification when the National Quarterly Rollup Report for National Dislocated Worker Grants is ready to download.

- The Download link is available on the interface.

- The rollup data is downloadable excel with three worksheets, one sheet for specific Time period.

- The National Dislocated Worker Grants rollup is displayed on interface.

- The rollup report is created for 3 Time period, Quarterly, Rolling 4 Quarters and Program to Date which dynamically links when user selects the specific time period.

- The rollup report is available for new National Dislocated Worker Grants reports.

- The rollup report has Print functionality.

➢ **WIPS Individual Record Data Export Access**

- User access restrictions are implemented at the Program user level to ensure the proper use of WIPS Individual Record Data Export Access.

- Program user without access will see instructions to request access for "WIPS Individual Record Data Export Access" and approval process along with "WIPS Individual Record Data Export Access Form" under "Data Export" tab.

- Program user with approved access can export individual record and see all the existing functionality to export data under "Data Export" tab. User must acknowledge compliance before data export process starts.
