DOL Internal Users

What's New:

❖ **My Reports Enhancement**

➢ **Reports**

- The Indian and Native American Program Rollup Report and Excel Export is now available.
- The Indian and Native American Program Rollup Report Export can be accessed from "Reports" tab under "National Quarterly Discretionary Reports".
- The Indian and Native American Program Rollup Report Export is a rolled-up single report on interface and a excel export of all certified QPRs in different tabs.
- User must select the valid Quarter End Date.
- User must select "Indian and Native American Program" selection from the program filter.
- Once "Indian and Native American Program Rollup" is selected in the Program filter, the Grant number(s) will be populated.
- The "Export Spreadsheet" button is enabled.
- User should click on the "Export Spreadsheet" button to extract all the certified QPR data for 2 Time periods.
- User will get an email notification when the National Quarterly Rollup Report for Indian and Native American Program is ready to download.
- The Download link is available on the interface.
- The rollup data is downloadable excel with three worksheets, one sheet for specific Time period.
- The Indian and Native American Program rollup is displayed on interface.
- The rollup report is created for 2 Time period, Quarterly and Rolling 4 Quarters which dynamically links when user selects the specific time period.
- The rollup report is available for new certified Indian and Native American Program QPRs.
- The rollup report has Print functionality.

➢ **WIPS Individual Record Data Export Access**

- User access restrictions are implemented at the program level to ensure the proper use of WIPS Individual Record Data Export Access.
- User can only export data for their authorized programs.
- Users without access will see instructions on how to request access for "WIPS Individual Record Data Export Access" and the approval process along with "WIPS Individual Record Data Export Access Form" under "Data Export" tab.
- Users with approved access must acknowledge compliance before each data export process starts.

➢ **Data Export**

- The "Target Program(s)" filter has been changed to "Certified Program" filter. This filter will populate the list of certified programs from the list of available certified reports.

- Users will only see authorized programs in the "Certified Programs(s)" filter.

- The funding stream(s) filter option are only available when user chooses at least one item from "Certified Program(s) filter.

- A new column called "Records" has been added in the grid under Data Export tab and displays the count of participant records exported. The row count does not include header record.
