4. **Transition Year.** FY 2009 has been a year with a large amount of regulatory change to the H-2A and H-2B programs. For example, a re-engineered H-2A Final Regulation took effect on January 17, 2009, and an H-2B Final Regulation took effect on January 18, 2009. A *Federal Register* Notice proposing to suspend the January 17, 2009, H-2A Final Regulation was published March 17, 2009, and public comments are currently being reviewed. Both Final Regulations are currently in litigation.

Until actions surrounding both the H-2A and H-2B regulations are fully resolved, SWAs should follow the appropriate regulation in effect at the time applications are submitted.

Each SWA's FY 2008 Annual Plan will be extended through the remainder of FY 2009. However, in order to receive the remainder of their FY 2009 funds, SWAs must submit the required information and documents set forth in the attachments to this TEGL, which shall constitute the updated FY 2008 Annual Plan, and must agree to be bound by and comply with the terms and agreements set forth by the Office of Foreign Labor Certification (OFLC) in its FY 2008 Foreign Labor Certification Grant Guidance, TEGL 21-07, subject to any changes in the H-2A or H-2B Final Regulations taking effect since the issuance of such guidance. It is anticipated that new planning guidance will be issued for FY 2010.

Program Planning Guidance and Information Package

Introduction

This document provides the necessary guidelines to be used by SWAs to update annual plans and request funds in order to administer their FLC responsibilities.

Wagner-Peyser funding allocations under the State Unemployment Insurance and Employment Service Operations account in Fiscal Year (FY) 2009 are available to States for activities supporting federal administration of FLC programs. The estimated FY 2009 appropriation for state FLC activities is approximately \$15,129,000, consistent with the omnibus appropriations bill signed into law March 11, 2009. Of this amount, \$95,000 was retained at the National Office level for discretionary activities. The remaining disbursement totals \$15,034,000. A total of \$5,107,435 was provided under the continuing budget resolution in effect through March 6, 2009. Distribution of remaining grant funds is in progress and dependent on approval by the Office of Foreign Labor Certification of state workplans. An estimate of each SWA's total FY 2009 funding is provided.

Extension of FY 2008 Annual Plan for Remainder of FY 2009

To establish and maintain eligibility for FLC grant funding, SWAs must comply with this TEG and other applicable guidance and regulations of the Department. Upon receipt and approval of the plan at the National Office, OFLC, the Grant Officer in ETA's Division of Federal Assistance will issue an additional Notice of Obligation to provide the balance of funds due to each state from its annual allocation.

SWA Responsibilities

SWAs are responsible for administering grant funds for FLC programs within established guidelines. These responsibilities include:

1. Certifications and Assurances

Regulations require recipients of SWA grants to submit various standard certifications and assurances. These have already been provided under the PY 2008/FY 2009 Wagner-Peyser Annual Funding Agreement and the FY 2008 Foreign Labor Certification Agreement. Current SWA regulations at 20 CFR Part 658, Subpart E (20 CFR 658.400-658.426) cover the complaint and appeals procedures. Regulations at 20 CFR Part 653, Subpart F and 20 CFR Part 654, Subpart E apply to housing inspection activities under the reimbursable grant.

2. Utilize Mandated Forms for Inter-Agency Communications

SWAs must utilize the proper formats to ensure uniform communications. These formats include, but may not be limited to, the following:

- **Form ETA-232 (OMB Approval No. 1205-0017 Exp. 08/31/2010)**
Form ETA-232 is the Domestic Agricultural In-Season Wage Report.
- **Form ETA-232A (OMB Approval No. 1205-0017 Exp. 08/31/2010)**
Form ETA-232A is the Wage Survey Interview Record.
- Other ETA forms that contain a valid Office of Management and Budget (OMB) control number and expiration date.

3. Reporting Responsibilities

The required reports are listed below:

- **ETA-9130 (OMB Approval No. 1205-0461 exp. 11/30/2009)**
The ETA-9130 is the Financial Status Report and must be submitted by the SWA on a quarterly basis for each fiscal year of funds.
- **ETA-9127 (OMB Approval No. 1205-0457 Exp. 04/30/2009 extension pending)**
The ETA-9127 is the Quarterly Activity Report and a completed form must be submitted by the SWA on a quarterly basis for each fiscal year. SWAs must correct deficiencies to the form upon request by the National Office.

Conclusion

Grant funding balances will be issued to SWAs upon availability of funds. The National Office Grant Officer will issue a Notice of Obligation (NOO) to SWAs upon approval of the SWA updated FY 2008 Annual Plan. Budgets can only be approved for annual plans after the National Office (Office of Foreign Labor Certification) has approved the Annual Plan for the Agricultural/Non-Agricultural programs.

In accordance with the applicable Federal regulations, employers are required to provide housing at no cost, or public housing, for workers who are not reasonably able to return to their place of residence the same day. The housing must meet the applicable local, state, or federal standards, and be sufficient to house the number of workers requested.

2. Allowable Costs.

- Costs may be attributed to activities in support of tasks described in 20 CFR Part 654 Subpart E, Housing for Agricultural Workers and/or 29 CFR 1910.142, Temporary Labor Camps, and for indirect support as a fair share of overhead.

3. Performance Standards.

- The state's performance will be reviewed according to the applicable Federal regulations and housing standards.

4. Reporting.

- Required reporting of activity as specified on Office of Management and Budget (OMB) approved ETA forms. Financial reporting will be as specified by ETA.

The state shall submit to the National Office OFLC a plan for the surveys it is scheduling for the coming year. This plan includes all the surveys which will be conducted by the state in the upcoming season. Accordingly, the state's survey targets are based on estimated job order activity to be produced by H-2A applications.

- The state shall submit the results of its prevailing wage surveys (ETA form 232) promptly to the National OFLC as well as to the Chicago National Processing Center, so the correct wage is established for the next cycle of crop activity. Timely submission is critical to ensure release of wage determinations by the National Office well ahead of the crop activity start date.
- All documentation related to wage survey plans and results should be mailed to:
Mr. Ben Orona
Office of Foreign Labor Certification

Annual Plan Procedures

1. Annual Funding Agreement.

The current agreement includes a Workload Supplement to encompass all Program Year 2008/Fiscal Year 2009 program activities. Notice of Obligation documents for the allotment balances will be issued by the National Office Grant Officer based upon National Office approval of updated FY 2008 Annual Plans.

2. Annual Plan.

The updated FY 2008 Annual Plan includes an Application for Federal Assistance (SF-424), transmittal letter, plan workload/supplement, and budget information. Consistent with National Office guidelines, negotiations between ETA and the Grantee will determine each state's final annual level of funding for Foreign Labor Certification.

- The updated FY 2008 Annual Plan will have a performance period of 12 months beginning October 1, 2008, and ending September 30, 2009.
- The plan package submitted from the states to the National Office Grant Officer should consist of a transmittal letter and one original and two copies of the following:
 - A. Application for Federal Assistance (SF-424)
 - B. Annual Budget and Quarterly Funding Plan (SF-424A—Section D only)
Note: Please include a budget supplement to explain and list all proposed equipment purchases of \$5,000 or more and any subcontracts.
 - C. Annual Plan Workload Supplement.

3. Plan Modifications.

The National Office and the state may jointly modify the updated FY 2008 Annual Plan including negotiated changes in the plan period and in funding levels during the year. The plan modification requests must include a transmittal letter, a revised annual budget, and the quarterly spending plan. The National Office Grant Officer has the authority to execute funding adjustments where a state is not spending at agreed upon levels. When an adjustment is necessary, a unilateral modification may be issued. In the event that the Secretary of Labor may be required by future legislation to carry out other responsibilities not currently anticipated, the states will be requested to submit a modification to the Annual Plan in order to carry out these additional duties.

4. Financial Reconciliation.

After the end of the fiscal year, a financial reconciliation procedure will be conducted to reconcile accounting records maintained by the grantee and the Department of Labor's original accounts. It may become necessary to revise funding levels in the new plan for a particular state when the reconciliation is completed.
