General Instructions for the Completion of a Budget Information Narrative Disaster Recovery Dislocated Worker Grants for the Opioid Crisis

The budget information Narrative must include the following information:

- Each line item on the SF-424A must be explained, and the cost provided for each. Each line item on the SF-424A pertains to projected costs at the recipient level, with the exception of the Contractual line item.
 - The total for each line item on the Budget Information Narrative must match the total for each line item on the SF-424A.
 - Although there is not a separate line item for Administrative Costs, please provide a breakout of costs in this category, which must reflect applicable limitations.
1. **Personnel** – List all staff positions by title. State the annual salary of each person, the percentage of each person’s time devoted to the project, the amount of each person’s salary funded by the grant, and the total personnel cost for the period of performance.
 2. **Fringe Benefits** – Provide the overall fringe benefit percentage which reflects the recipient’s organizational fringe, and list the components included, such as health insurance, FICA, retirement, etc. Provide the fringe benefit calculation for each staff position listed under the Personnel line item.
 3. **Travel** – Specify the type and purpose of the travel, the number of travelers, approximate mileage, per diem rates, estimated number of trips, and other associated travel costs.
 4. **Equipment** – Identify each item of equipment to be purchased which has an estimated acquisition cost of \$5,000 or more per unit and a useful lifetime of more than one year. List the quantity and unit cost per item. Items with a unit cost of less than \$5,000 are supplies.
 5. **Supplies** – Supplies include all tangible personal property other than “equipment.” Identify supply categories (e.g. office supplies, cell phones, personal tools for disaster clean-up, etc.). List the cost associated with each category.
 6. **Contractual** – Identify each contracted entity, the funding allocation made to the organization, and a brief summary of services provided by each.
 7. **Construction** – Construction costs are not allowed and this line must be left as zero. Minor alterations to adjust an existing space for grant activities (such as a classroom alteration) may be allowable. DOL does not consider this as construction and the costs must be shown on other appropriate lines such as Contractual.
 8. **Other** – List each item in sufficient detail for DOL to determine whether the costs are reasonable or allowable. Costs included under *Other* should not fit into any other line item category.
 9. **Indirect Charges** – If charging indirect costs to the grant, this line item must be populated. Include the current approved Negotiated Indirect Cost Rate Agreement, signed by the Federal cognizant agency, as an attachment to the grant application.
