TRADE ADJUSTMENT ASSISTANCE LEADS

FROM: MOLLY E. CONWAY
Acting Assistant Secretary

SUBJECT: Fiscal Year (FY) 2019 Trade Adjustment Assistance (TAA) Training and Other Activities (TaOA) Grant Management Guidance

1. Purpose. To assist State Workforce Agencies (SWAs) or agencies designated by Governors as “Cooperating State Agencies” (CSAs) (also jointly referred to as “States,” “Recipients,” “Grantees,” “Applicant,” or “You”) in gaining access to FY 2019 TAA Program TaOA funds by completing and submitting Standard Form (SF) 424, Application for Federal Assistance, through www.grants.gov.

2. Action Requested. SWA Administrators are requested to immediately provide copies of this guidance to all staff involved in the preparation and submission of the SF-424s for TAA Program grant awards. SWA Administrators are asked to ensure that the staff person or persons responsible for performing these activities are fully aware of the required FY 2019 TAA Program TaOA grant application processes and timelines. The Department is requesting that each SWA Administrator ensure that the SF-424 for TaOA grant funding for their state is submitted to ETA via www.grants.gov within 30 calendar days from the issue date on this TEGL.

3. Summary and Background.

   a. Summary - This guidance provides instructions to states on the required process for accessing FY 2019 TaOA funds. To access FY 2019 funds for Trade Readjustment Allowances (TRA) and Alternative Trade Adjustment Assistance/Reemployment Trade Adjustment Assistance (ATAA/RTAA), states should continue to follow

standard procedures, as they have previously, and contact their assigned Federal Project Officer (FPO) if they have questions regarding these funds.

b. **Background** - The Trade Act Title II, Chapter 2, established the Trade Adjustment Assistance for Workers (TAA), ATAA, and RTAA programs. These programs, collectively referred to as the Trade Adjustment Assistance Program (TAA Program), provide assistance to workers who have been adversely affected by foreign trade. Under Section 239 of the Trade Act, as amended, the states, as agents of the Department of Labor ("Department," or "Grantor"), provide benefits and services to eligible workers certified to receive TAA Program benefits. Each state provides these services through one or more state agencies, one of which is designated as the CSA in an agreement between the state’s Governor and the Secretary of Labor (Secretary); this agreement is known as the Governor-Secretary Agreement\(^1\). The Governor-Secretary Agreement explains program requirements, limitations on the use of TaOA funds, and other important grant provisions, including the TAA Program Annual Funding Agreement (AFA), that states must comply with in order to access TAA Program funding. The Standard Terms and Conditions template that governs the TAA Program grant award is available at: [https://doleta.gov/grants/resources.cfm](https://doleta.gov/grants/resources.cfm). Attachment III of this TEGL sets out the TAA Program Requirements.

The Department and each state execute an AFA at the beginning of each fiscal year, requiring each state to submit a signed Application for Federal Assistance Standard Form-424 (SF-424) (Office of Management and Budget Approval No. 4040-0004) through [www.grants.gov](http://www.grants.gov).

4. **Application and Grant Award Process.**

a. **Application Process** - The Department strongly encourages states to begin the submission process through [www.grants.gov](http://www.grants.gov) promptly, as it is often time consuming and could take several weeks for successful completion. In addition to other information requested on the SF-424, each state must: 1) enter the announcement number of this TEGL, ETA-TEGL-NO-13-18, into the opportunity number field of the application, and 2) enter the applicable amount set out for the state in Attachment I of this TEGL as the estimated dollar amount of funds requested for FY 2019.\(^2\) Attachment II of this TEGL provides detailed instructions for submitting the SF-424 and includes links to resources, including customer service contacts and other information, available at [www.grants.gov](http://www.grants.gov).

b. **Grant Award Process** - Upon receiving the application submitted by a state through [www.grants.gov](http://www.grants.gov), the Office of Grants Management (OGM), in conjunction with the Office of Trade Adjustment Assistance (OTAA), will review the application materials and request revisions as necessary. Once approved, OGM will incorporate the

application with the AFA, which will be executed by the Department’s Grant Officer and transmitted to the Authorized Representative and Point of Contact identified on the SF-424 submitted for your state. Any subsequent changes to the information submitted on the SF-424 (people identified, address, etc.) must be submitted to the Department as a request to modify the AFA via the assigned FPO. Links to reporting databases, as well as general guidance on how to administer a grant award, may be found in the Grantee Handbook available at:

Applicants should e-mail all technical questions to bizuayene.rahel@dol.gov and must specifically reference ETA-TEGL-NO-13-18, along with their question(s), and include a contact name, fax, and phone number with the inquiry. This TEGL is available at https://www.grants.gov.

1 States are requested to enter the amount set out in this chart for their state on their Application for Federal Assistance SF-424 as the FY 2019 TaOA estimated funding. ETA derived these estimates by applying the formula factors set out in 20 CFR 618.910(f) to the $450 million TaOA funding cap. Consistent with §§20 CFR 618.910-930, throughout the FY, ETA will derive actual amounts for each state for the Initial Allocations, Second Distribution, and Final Distribution and inform states of these amounts via guidance. TaOA funds are subject to the Balanced Budget and Emergency Deficit Control Act of 1985 (BBEDCA), as amended by the Budget Control Act of 2011 (BCA) (also known as sequestration), which requires a reduction in the TaOA funding authority for FY 2019 of 0.2 percent. Actual TaOA funding amounts for each state will reflect reductions to TaOA funding due to sequestration, as well as any funds awarded to states through reserve requests.
Additional Submission Instructions

1. **Introduction.** Recognizing that submission of documentation for TAA Program TaOA funds for FY 2019 through www.grants.gov is the same procedure the Department instructed grantees to follow to apply for FY 2018 TaOA funds, the following is provided to augment the instructions available on the www.grants.gov website.

   In the event you encounter a problem with your submission via the www.grants.gov website and do not find a resolution in any of the other resources, call the www.grants.gov support center for assistance at 1-800-518-4726 or 606-545-5035 to speak to a customer support representative or email support@grants.gov. The www.grants.gov contact center is open 24 hours a day, seven days a week; however, it is closed on federal holidays. Note: The links in the sections below require Internet Explorer version of IE11 or higher, Chrome, or Firefox. Please use one of these browsers to access the information available on the link.

2. **Timely SF-424 Submissions.** The deadline for submitting SF-424s via www.grants.gov for TAA TaOA funding is 30 calendar days from the issue date of this guidance. States are strongly advised to initiate the application submission and validation process via www.grants.gov as soon as possible and to plan for time to resolve technical problems. Since it is the state’s responsibility to ensure a timely submission of their SF-424, states are encouraged to allot time for submission (two business days) and, if applicable, additional time to address errors and receive validation upon resubmission (an additional two business days for each ensuing submission). Only applications that have been successfully submitted in www.grants.gov by the deadline, which is 30 calendar days from the issue date of this guidance, and subsequently successfully validated by www.grants.gov, will be considered timely. Please note validation in www.grants.gov, does not mean the state’s application has been accepted as complete or has been accepted for review. Rather, www.grants.gov only verifies the submission of certain parts of the application.

3. **How to Submit an Application.** Applicants can apply on www.grants.gov using Workspace, https://www.grants.gov/web/grants/applicants/workspace-overview.html. Workspace is a shared online environment that allows organizations or individuals to apply for federal grants by enabling simultaneous access and edit of different forms within a single application. To access complete instructions on how to apply for opportunities, see https://www.grants.gov/web/grants/applicants/apply-for-grants.html. To apply for FY 2019 TaOA grant funds once you have logged into Workspace, select Search Grants at: https://www.grants.gov/web/grants/search-grants.html, and enter ETA-TEGL-NO-13-18 in the Opportunity Number field of the Basic Search Criteria box. Be careful to use the specific syntax: ETA-TEGL-NO-13-18.

4. **Important Information.**
   - Completing your grant application requires you to enter your organization’s Authorized Organizational Representative (AOR) Username and Password. If you do not have the AOR’s Username and Password, please register as a new user (https://apply07.grants.gov/apply/register.faces). Note, if you already have a www.grants.gov account and know or can retrieve your AOR’s logon information
Additional Submission Instructions

using the Forgot Username or Password function, you do not need to register another account to apply for FY 2019 TaOA grant funds.

- When you submit your application via www.grants.gov, an electronic time stamp is generated within the system when the application is successfully received by www.grants.gov. Grants.gov will send the applicant AOR an email acknowledgement of receipt and a tracking number, e.g., (GRANTXXXXXXX), with the successful transmission of the application, serving as proof of their timely submission. During this process, the applicant will receive two email messages to provide the status of the application’s progress through the system.
  - The first email, sent almost immediately, will contain a tracking number and will confirm receipt of the application by www.grants.gov.
  - The second email will indicate that the application has either been successfully validated or has been rejected due to errors.

- Each applicant must be registered in the System for Award Management (SAM), https://www.sam.gov/SAM/pages/public/index.jsf, (access requires Internet Explorer version of IE11 or higher, Chrome, or Firefox). SAM.gov is an official government website that allows you to: 1) register to do business with the U.S. government; 2) update or renew your entity registration; check status of an entity registration; or search for entity registration and exclusion records. Applicants must have an active registration in SAM to complete the SF-424. If the applicant’s registration in SAM is expired, www.grants.gov will reject the application.

- To ensure consideration, the components of the application must be saved as .doc, .docx, .xls, .xlsx, .rtf or .pdf files. If submitted in any other format, the applicant bears the risk that compatibility or other issues may prevent a state’s application from being considered. The Department will attempt to open the document, but will not take any additional measures in the event of problems with opening it (i.e., conversions of any kind).

- The Department strongly advises applicants to use the various tools and documents, including Frequently Asked Questions that are available on the “Applicant Resources” page at: https://www.grants.gov/web/grants/applicants/applicant-faqs.html.

- To receive updated information about critical issues, new tips for users and other time sensitive updates as information is available, you may subscribe to www.grants.gov updates at: https://www.grants.gov/web/grants/manage-subscriptions.html.
Program Requirements

A. **Overview.** The TAA Program includes training, employment and case management services, job search allowances, relocation allowances, Trade Readjustment Allowances (TRA), Alternative Trade Adjustment Assistance (ATAA), and Reemployment Trade Adjustment Assistance (RTAA). TAA Program TaOA funds provided under this grant award may be used to cover the cost of training (and related costs), employment and case management services, job search allowances, relocation allowances, and related state administration. Funds for TRA, ATAA, and RTAA are governed by the terms and conditions of the Unemployment Insurance Annual Funding Agreement.

B. **States’ Responsibilities.** TEGL No. 16-16, *One-Stop Operations Guidance for the American Job Center (AJC) Network*, provides guidance on states’ responsibilities for ensuring that the Workforce Innovation and Opportunity Act (WIOA) partner programs are integrated into the one-stop system. The TAA Program is a required one-stop partner under the WIOA statute and regulations. As a WIOA required partner, the TAA Program is responsible for providing access to TAA benefits and services to adversely affected workers through the one-stop network. Under WIOA and the Trade Act, as amended, states must integrate TAA services into their one-stop delivery system; provide rapid response and appropriate career services to worker groups on whose behalf a petition has been filed; and disseminate benefit information that provides workers an accurate understanding of the TAA Program’s benefits and services in such a way that it is transparent to the worker applying for them. States must also use their state’s one-stop centers as the main point of contact for participant intake and delivery of TAA benefits and services.

1) **Program Access**

If the TAA Program is carried out in a local area, the State must provide access to the TAA Program services in at least one of the local area’s comprehensive one-stop centers in accordance with 20 CFR §678.305(d) and with WIOA sec. 121(b)(1)(A)(i). Access to the TAA Program occurs in one of three ways:

a) **Option 1:** Having a program staff member physically present at the one-stop;

b) **Option 2:** Having a staff member from a different partner program physically present at the one-stop center appropriately trained to provide information to customers about the programs, services, and activities available through all partner programs; or

c) **Option 3:** Making available a direct linkage through technology to a program staff member who can provide meaningful information or services.

The options above offer a wide range of possibilities to partners. Option 2 could require varying levels of assistance depending on the trade-affected worker’s needs. For example, this could be as simple as having an adequately trained WIOA staff member providing basic program information to a one-stop customer regarding group and individual eligibility requirements of the TAA Program. In this example, the partner staff member
Program Requirements

has been trained on TAA Program eligibility requirements, as well as how to search for and file a TAA petition. Once the Department renders a determination on a petition, the partner staff member will connect the worker to appropriately trained one-stop center staff who can further assist them. If the petition is certified, the worker is eligible to apply for individual benefits and appropriately trained one-stop center staff must guide them through the application and enrollment process. This option allows the customer to receive high-quality service through the one-stop center, in a timely manner. In this example, it would be essential that the Wagner-Peyser Act Employment Service staff person document his or her time and effort to ensure that the charges to the appropriate program, namely the TAA Program, for salaries and wages are based on records that accurately reflect the work performed, consistent with federal cost principles in the Office of Management and Budget’s (OMB’s) Uniform Guidance at 2 CFR §200.430.

The third option, Option 3, a direct linkage, can take many forms as well. As described in 20 CFR §678.305(d)(3), a “direct linkage” means providing a direct connection at the one-stop center within a reasonable time, by phone or through a real-time web-based communication, to a program staff member who can provide program information or services, including career services, to the customer. Solely providing a phone number, website, information, pamphlets, or materials does not constitute a “direct linkage.”

The flexibility provided through the three optional methods for assuring customer access to required one-stop center partner services and activities at the comprehensive centers ensures that the TAA Program remains accessible through the one-stop center network.

2) Compliance with Regulations and Guidance

In performing its responsibilities under the Governor-Secretary Agreement, as a condition for receipt of funds, the state agrees to fully comply with all program regulations and administrative directives, including, but not limited to:

a) 20 CFR part 617, 29 CFR part 90, and 20 CFR part 618 and any succeeding regulations governing the TAA Program;

d) Department of Labor Appropriations Act, 2019, Division B, Title I, (Pub. L. 115-245), enacted September 28, 2018;

e) 2 CFR part 200 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards) and 2 CFR part 2900 (Department’s Supplement to 2 CFR part 200);

Program Requirements

i) Trade Adjustment Assistance Extension Act of 2011 (Pub. L. 112-40) (TAAEA);
j) Balanced Budget and Emergency Deficit Control Act of 1985 (BBEDCA), as amended by the Budget Control Act of 2011 (BCA);
k) Trade Adjustment Assistance Reauthorization Act of 2015 (Pub. L. 114-27, Title IV) (TAARA 2015);
l) TEGL No. 15-12, Delivery of Benefits and Services to Trade Adjustment Assistance (TAA) Program Recipients through the American Job Center Network Delivery System;
m) TEGL No. 05-15, Operating Instructions for Implementing the Amendments to the Trade Act of 1974 Enacted by the Trade Adjustment Assistance Reauthorization Act of 2015 (TAARA 2015) and its Change 1;

3) Compliance with Requirements

In performing its responsibilities under this award, the state hereby certifies and assures that it will fully comply with the following requirements:

a) Real Property. The requirements and restrictions related to real property in 2 CFR §200.439, including compliance with 2 CFR § 200.439(b)(3). This provision provides that capital expenditures for improvements to land or buildings which materially increase their value or useful life are unallowable as a direct cost, except with the prior written approval of the Grant Officer.

b) Equipment. Equipment purchases under the TAA Program are subject to the provisions at 2 CFR § 200.313. Consistent with 2 CFR §2900.16, prior approval is hereby provided for equipment purchases under the TAA Program.

c) Oversight Roles and Responsibilities. Each recipient and subrecipient of funds under the Trade Act, as amended, must conduct regular oversight and monitoring of its program and those of any subrecipients and contractors as required under Section 239(i) of the Act, as well as under 2 CFR part 200, including 2 CFR §200.328, § 200.330, §200.331, and Department exceptions at 2 CFR part 2900, in order to:
Program Requirements

i. Determine that expenditures have been made against the proper cost categories and within the cost limitations specified in the Act, the regulations, and administrative guidance;

ii. Determine whether there is compliance with other provisions of the Act, the regulations, and administrative guidance;

iii. Assure compliance with 2 CFR part 200 and the Department’s exceptions at 2 CFR 2900; and

iv. Determine compliance with the nondiscrimination, disability, and equal opportunity requirements of sec. 188 of WIOA, including the Assistive Technology Act of 1998 (29 U.S.C. 3003).

d) Procedures and Resolution of Findings.

(i) Resolution of subrecipient-level findings.

1. The Governor is responsible for resolving findings that arise from the monitoring reviews, investigations, other Federal monitoring reviews, and audits (including under 2 CFR part 200) of subrecipients awarded funds through the Trade Act, as amended.
   
   a) A State must use the written monitoring and audit resolution, debt collection and appeal procedures that it uses for other Federal grant programs.
   
   b) If a State does not have such written procedures, it must prescribe standards and procedures to be used for this grant program.

2. For subrecipients awarded funds through a recipient of grant funds, the direct recipient of the grant funds must have written monitoring and resolution procedures in place that are consistent with 2 CFR part 200.

(ii) Resolution of state findings.

1. The Secretary is responsible for resolving findings that arise from Federal audits, monitoring reviews, investigations, incident reports, and audits under 2 CFR part 200 for direct recipients of Federal awards under the Trade Act, as amended.

2. The Secretary will use the Department’s audit resolution process, consistent with 2 CFR part 2900, Subpart F.

3. A final determination issued by a Grant Officer under this process may be appealed to the Department’s Office of Administrative Law Judges under the procedures in 2 CFR § 2900.22.

e) Nondiscrimination. Requirements and restrictions for nondiscrimination and equal opportunity, which are provided in 29 CFR part 38, Implementation of the Nondiscrimination and Equal Opportunity Provisions of WIOA.
Program Requirements

C. **Use of Funds.** Funds obligated under this grant award may be used for training (and related costs), employment and case management services, job search allowances, relocation allowances, and related state administration costs incurred in the provision of TAA Program benefits and services to trade-affected workers in accordance with the requirements of the Trade Act, as amended, in effect at the time of filing of the petition under which the workers are covered. The following limitations apply to FY 2019 appropriated funds awarded to the state under this grant award:

1) State expenditures for related state administration costs must not exceed ten percent (10%) of the total amount of TaOA funds awarded in a FY; and

2) State expenditures for employment and case management services costs must not be less than, but may exceed, five percent (5%) of TaOA funds awarded in a FY.

D. **Deobligation of Funds.** The Recipient agrees to accept a deobligation of the TaOA funds, as set forth in the Notice of Award, in the event of underutilization of those funds. The Grantor will consider underutilization of TaOA funds to exist when the Recipient will be unable to use some or all of the unexpended and/or unobligated balance of such funds provided to the recipient within a reasonable period of time. Underutilized funds will be recaptured only after notification to and consultation with the Recipient.

E. **Recapture and Reallotment of FY Funds.** In addition to the information provided in the deobligation of funds clause above, section 245(c) of the Trade Act of 1974, as restored by the TAARA 2015, provides that the Secretary may recapture and reallocate funds that were allotted to any state to carry out employment and case management services, training, job search allowances, and relocation allowances, that remain unobligated by the state during the second or third fiscal year after the funds were obligated.

F. **Remedies.** All TAA Program funds must be expended in accordance with the provisions of the AFA and any special terms and conditions of approved funding requests. Any expenditure of funds that does not comply with these provisions will be subject to the enforcement remedies at 2 CFR § 200.338 and 20 CFR § 617.52(c) and § 617.59(f), or any succeeding regulations. The state will take such action as is reasonably necessary to recover for the account of the United States all amounts paid out as program benefits or services that were erroneously paid to ineligible claimants or others, and to restore any losses or misapplication of funds allocated to the state for TAA Program benefits or services.

G. **Merit Staff.** The state agrees that staff employed to carry out state administration of the TAA Program and funded by the TAA Program, including staff of the state agency and the state Employment Service agency that perform functions under both the TAA Program and the state unemployment compensation (UC) program and/or ES programs, will comply with 20 CFR § 618.890.
H. Administrative Costs.

1) The administrative cost limit for the fiscal year program funding allocation for training, job search assistance, and relocation allowances is included above in paragraph C of this Attachment III, with which states must comply.

2) For purposes of the TAA Program, the costs of administration are the costs associated with performing the following:
   a) overall general administrative functions of the TAA Program and the coordination thereof within the one-stop center network established under WIOA:
      i. Accounting, budgeting, financial, and cash management functions;
      ii. Procurement and purchasing functions;
      iii. Property management functions;

Program Requirements

3) Awards to subrecipients or contractors that are solely for the performance of administrative functions are classified as administrative costs.

4) Specific costs charged to an overhead or indirect cost pool that can be identified directly as a program cost are to be charged as a program cost. Documentation of such charges must be maintained. (Not all indirect costs are administrative and not all administrative costs are indirect).

5) Costs of the following information systems capabilities, including the purchase, systems development, and operational costs (e.g., data entry), are charged to the program category:
   a) Tracking or monitoring of participant and performance information, including employment and case management services and activities; and
   b) Tracking or reporting employment statistics information, including job listing information, job skills information, and demand occupation information.

6) Wherever possible, states must make efforts to streamline the administrative activities and services referenced in this section by minimizing duplication, effectively using information technology to improve services and leveraging resources across programs.

7) States should consult the appropriate Regional Office for additional technical assistance related to classification of costs under the Trade Act, as amended.
