ADVISORY: TRAINING AND EMPLOYMENT GUIDANCE LETTER NO. 04-22

TO: ALL SECTION 166 INDIAN AND NATIVE AMERICAN (INA) GRANTEES

FROM: BRENT PARTON /s/
Acting Assistant Secretary

SUBJECT: Program Year (PY) 2022 Funding Allotments and Instructions for the INA Section 166 Programs

1. **Purpose.** To provide INA grantees with Comprehensive Services Program (CSP) and Supplemental Youth Services Program (SYSP) funding allotments for PY 2022 for the Workforce Innovation and Opportunity Act (WIOA), Section 166 programs. This TEGL also provides guidance on excess carry-in of funding at the end of PY 2021.
2. **Action Requested.** None.
3. **Summary and Background.**
 - a. Summary - The Employment and Training Administration (ETA) is issuing this TEGL to notify INA grantees of PY 2022 grant allocations.
 - b. Background - ETA issued a Funding Opportunity Announcement (FOA-ETA-22-05) on March 21, 2022, to announce the solicitation of applications for employment and training grants authorized under Section 166 of WIOA. As a result of the solicitation, 166 grantees were selected to receive a grant award. Award amounts are based on the funds appropriated in the Consolidated Appropriations Act, 2022 (Pub. L. 117-103) and the funding formula described at 20 CFR 270 (b). A total of \$56,351,790 in CSP funds and \$13,932,627 in SYSP funds will be allocated to federally- recognized tribes, tribal colleges, Native American non-profit organizations, Alaska Native organizations, and Native Hawaiian organizations throughout the United States (see list of grantees and awards amounts in Attachment I). These grantees will receive an annual grant award for four consecutive years, subject to appropriated funding, starting in PY 2022 and continuing through PY 2025 (June 30, 2026). Each annual grant award will have a 36-month period of performance.
4. **Grantee Expenditure Rates and Review of Four-Year Strategic Plans.**
 - a) For PY 2022, ETA will place an emphasis on grantee expenditure rates to address the high level of unspent funds by grantees that have accumulated over the past two years as a result of the pandemic. Grantees with large amounts of unspent funds will have conditions placed on their PY 2022 grant awards that describe the actions the grantee

must take to address the high level of unspent funds. Failure to meet these conditions will result in corrective actions that include a reduction in PY 2023 funds or other actions deemed necessary to address the high level of unspent funds.

- b) The competitive proposals submitted as part of the FOA application serve as the four-year strategic plan for the WIOA grant. The Division of Indian and Native American Programs will review the quality of the four-year strategic plans and will contact grantees that require revisions and/or improvements to their plan.
