- When a state submits its application via <a href="www.grants.gov">www.grants.gov</a>, an electronic time stamp is generated within the system when the application is successfully received by <a href="www.grants.gov">www.grants.gov</a>. Grants.gov will send the applicant AOR an email acknowledgement of receipt and a tracking number, e.g., (GRANTXXXXXXXX), with the successful transmission of the application, serving as proof of their timely submission. During this process, the applicant will receive two email messages to provide the status of the application's progress through the system.
  - o The first email, sent almost immediately, will contain a tracking number and will confirm receipt of the application by <a href="https://www.grants.gov">www.grants.gov</a>.
  - The second email will indicate that the application has either been successfully validated or has been rejected due to errors.
- Effective April 4, 2022, the Data Universal Numbering System (DUNS) Number was replaced by a new, non-proprietary identifier requested in and assigned by the System for Award Management (SAM) <a href="www.SAM.gov">www.SAM.gov</a> (access requires Internet Explorer version of IE11 or higher, Chrome, or Firefox). Applicants must have an active registration in SAM to complete the SF-424. If the applicant's registration in SAM is expired, <a href="www.grants.gov">www.grants.gov</a> will reject the application.
- The official, electronically signed SF-424 Form must reflect the state amount listed in Attachment I for the requested estimated funding total in item #18, the Catalog of Federal Domestic Assistance Number "17.245" for item #11, and the grantee's 12-character UEI listed for item #8c on the SF-424 Form.
