**ADVISORY: UNEMPLOYMENT INSURANCE PROGRAM LETTER NO. 22-20, Change 1**

**TO:** STATE WORKFORCE AGENCIES

**FROM:** BRENT PARTON   
Acting Assistant Secretary

**SUBJECT:** New End Date of the Application Period for Coronavirus Aid, Relief, and Economic Security (CARES) Act of 2020 Short-Time Compensation (STC) Program Grants

1. **Purpose.** To announce the end of the application period for STC grants under Section 2110(g) of the CARES Act effective June 3, 2023.
2. **Action Requested.** The U.S. Department of Labor’s (the Department) Employment and Training Administration (ETA) requests that State Workforce Agency Administrators provide information contained in this Unemployment Insurance Program Letter (UIPL) to the appropriate state staff.
3. **Summary and Background.**
  - a. **Summary** – This UIPL announces the new end date of June 3, 2023, concerning the application period for states to apply for grants for the implementation, improvement, and/or promotion and enrollment of an STC program through Section 2110(g) of the CARES Act.
  - b. **Background** – On March 20, 2020, the President signed the Coronavirus Aid, Relief, and Economic Security (CARES) Act (Pub. L. 116-136) into law. Section 2110 of the CARES Act provided for up to \$100 million in grant funds to states with STC programs in their laws that conform to the requirements of section 3306(v), Federal Unemployment Tax Act (FUTA) (26 U.S.C. § 3306(v)). UIPL No. 22-20 provided states with a deadline of December 31, 2023, to apply for these two grants. The first grant was for the implementation or improvement of an STC program. The second grant was for the promotion of the STC program or the enrollment of employers into the STC program.

On June 3, 2023, the President signed into law the Fiscal Responsibility Act (FRA) of 2023 (Pub. L. 118-5). Division B, Title I. Section 74, of FRA, permanently rescinds the unobligated balance of amounts made available by Section 2110(g) of the CARES Act.

4. **Guidance.** Due to the permanent rescission in FRA of the unobligated CARES Act funds under Section 2110(g) of the CARES Act, the Department has closed the application period for states to apply for STC grants under Section 2110 of the CARES Act. Effective June 3, 2023, the Department has stopped accepting or processing any new grant applications. The FRA has no impact on previously awarded STC grants.
5. **Inquiries.** States should direct inquiries to the appropriate ETA Regional Office.
