3. **Summary and Background.**
  - a. Summary – On July 22, 2022, the Department issued UIPL No. 28-20, Change 4, advising states of the availability of funding of \$225 million for activities to resolve outstanding items for the CARES Act UC programs, including the reporting and overpayment detection and recovery activities. In that UIPL, states were advised that grant applications should be submitted no later than September 23, 2022. The system for submitting applications was down for a temporary period of time and the Department has determined that states may need additional time to submit such applications. The Department is extending the deadline to October 30, 2022.
  - b. Background – The CARES Act (Public Law (Pub. L.) 116-136) was enacted on March 27, 2020, and created new temporary UC programs, including Pandemic Unemployment Assistance (PUA), Federal Pandemic Unemployment Compensation (FPUC), and Pandemic Emergency Unemployment Compensation (PEUC). *See* UIPL No. 14-20. On August 31, 2020, the Department issued UIPL No. 28-20, which provided states with \$100 million in funding to assist with efforts to prevent and detect fraud and identity theft and recover fraud overpayments in the PUA and PEUC programs. \$100 million in funding to support identity verification or validation of PUA claimants and to assist with efforts to prevent and detect fraud and identity theft, as well as to recover fraud overpayments in the PUA and PEUC programs. On August 11, 2021, the Department issued UIPL No. 28-20, Change 2, to provide states with a third round of \$100 million in funding to strengthen fraud detection and prevention efforts and the recovery of overpayments in the PUA and PEUC programs.

**4. Guidance.**

Section 2 of UIPL No. 28-20, Change 4, provides that the deadline for submission of applications is September 23, 2022. The system for submitting applications was down for a temporary period of time and the Department has determined that states may need additional time to review UIPL No. 28-20, Change 4, and to develop an application in response to the solicitation. Therefore, the Department is extending the deadline for submission of the grant applications to October 30, 2022. All other guidance and information in UIPL No. 28-20, Change 4, remains the same.
