Circular 86-2 also required that Regional Directors send to the National Director copies of written views sent by State Directors to the SACs expressing their concern with state action or contemplated actions. Even though Regional Directors have expressed orally numerous comments during the year regarding problems with SACs very little in the way of detailed written information had been submitted to the National Director by either Regional Directors or State Directors.</p> <p><u>ACTION:</u> Action item requirements of BAT Circular 86-2, October 4, 1985, attached, are continued indefinitely.</p> <p>Attachments</p>
