Notes:

* Includes PY 2022 Youth beginning 4/1/22

- Data come from WIOA 9130 financial reports for the 6/30/23 reporting period accessed from E-Grants on 3/12/24.

- Aberrations, such as negative obligation rates or those over 100%, usually result from errors or adjustments in 9130 reporting for prior periods being corrected in current period reports. They are a result of reporting on a cumulative basis and an ETA policy that limits the States' or Territories' ability to correct quarterly reports.

Notes:

- Data come from WIOA 9130 financial reports for the 6/30/23 reporting period accessed from E-Grants on 3/12/24.
- Aberrations, such as negative obligation rates or those over 100%, usually result from errors or adjustments in 9130 reporting for prior periods being corrected in current period reports. They are a result of reporting on a cumulative basis and an ETA policy that limits the States' or Territories' ability to correct quarterly reports.

Notes:

- Data come from WIOA 9130 financial reports for the 6/30/23 reporting period accessed from E-Grants on 3/12/24.
- Aberrations, such as negative obligation rates or those over 100%, usually result from errors or adjustments in 9130 reporting for prior periods being corrected in current period reports. They are a result of reporting on a cumulative basis and an ETA policy that limits the States' or Territories' ability to correct quarterly reports.
