The Reentry Employment in Skilled Trades, Advanced Manufacturing, Registered Apprenticeships, and Training (RESTART) Initiative

ACTION: Amendment to FOA-ETA-26-17

SUMMARY: The U.S. Department of Labor (Department), announced on February 25, 2026, the availability of funding for RESTART to be awarded through a competitive process.

This amendment is to notify applicants that the package instructions have been updated to align with the Full Funding Announcement. Applicants must check their application to ensure they meet the minimum number of participants enrolled during the grant period as shown on the Full Funding Announcement Section III.C, found on the grants.gov Related Documents tab and also shown below.
