SECTION III.A.3.a) Required Institution of Higher Education (IHE) Consortium

Amended Text (new language in bold):

a) Required Institution of Higher Education (IHE) Consortium

The Department is requiring consortia applicants to apply for this funding as a consortium of colleges that will undertake systems change within one state; or if community colleges are district-based, across one or more community college districts within a state. For the purposes of this FOA, a district (or equivalent entity) that includes only one or two community colleges does

not, by itself, qualify as a consortium. However, districts that are geographically contiguous may form a consortium that includes a minimum of three community colleges. When a consortium is district-based, all of the **community** colleges in the district(s) must be included. The Department encourages (but does not require) applicants to include all or a majority of **community colleges** in a state, if feasible based on the project design.

SECTION IV.C. SUBMISSION DATE, TIME, PROCESS, AND ADDRESS

Section IV.C. is deleted and replaced with the following:

We must receive your application by October 8, 2020. You must submit your application electronically on <https://www.grants.gov> **no later than 4:00:00 p.m. Eastern Time on the closing date**

Applicants are encouraged to submit their application before the closing date to minimize the risk of late receipt. We will not review applications received after 4:00:00 p.m. Eastern Time on the closing date. We will not accept applications sent by hardcopy, e-mail, telegram, or facsimile (FAX).

Section IV.C.1. is deleted and replaced with the following:
