

Webinar Instructions Page:

On April 7, 2016, the Department's Office of Foreign Labor Certification (OFLC) will host a public webinar to educate stakeholders, program users, and other interested members of the public on submission of wage surveys to determine the prevailing wage for job opportunities in the H-2B temporary non-agricultural labor certification program.

Employer Filing Tips for Submitting H-2B Wage Surveys

The objectives for this webinar are to assist employers and surveyors to avoid frequent errors found in filing prevailing wage determination applications that include wage surveys by:

- Providing clarification on common errors with documenting and displaying survey results;
- Providing tools to help ensure surveys comply with applicable regulatory requirements;
- Reviewing common errors found when completing the Form ETA-9165

Date: Thursday, April 7, 2016,
Time: 1:30 PM Eastern Standard time
Duration: Approximately 90 minutes.

The audio portion of the webinar is accessible via phone with a limited capacity of 200 concurrent participants and via audio streaming with a limited capacity of 500 concurrent participants. The ability to log-in to a webinar session is established on a first-come, first-served basis. Participants will be able to log-in to the webinar session approximately 30 minutes prior to the official start time.

Please note that due to the large number of participants, callers will not have the ability to ask questions over the phone line. Because of a potentially high demand for this webinar, we encourage organizations or other groups of participants to access the webinar at a single, centralized location to maximize attendance.

To join the webinar please follow these steps:

1. Go to or click on:
<https://dolevents.webex.com/dolevents/onstage/g.php?MTID=e934852882901da72f1e1e12445a7340c>
2. Enter your first name, last name and e-mail address.
3. If prompted, enter the event password: Welcome!25
4. Click on "Join Now"

5. Dial the toll-free number 1-877-988-6168 (US) and enter access code: 970 056 3 to hear the audio portion of the webinar or use the audio function of the Web Ex software to stream audio.

Note: If you join audio via speakerphone, please mute audio on your end to avoid feedback broadcasts to other participants during the webinar.
