A Re-Entry Definition

Re-entry refers to those activities and tasks that:

- Prepare offenders for re-entry into the specific communities to which they will return
- Establish the necessary arrangements and linkages with the full range of public and private sector departments/organizations and individuals in the community that can address known risk and protective factors
- Ensure the delivery of prescribed services and supervision in the community

Re-entry Involves the Two Worlds of Corrections and FBCOs

- Justice, corrections & sanctioning vs...
 - Services, support & advocacy
- Offender risk vs...
 - Employment & other service needs
- Rules, structure, hierarchy vs...
 - Flexibility, systems partnerships & linkages
