

TAADI Self-Check Change History

2/6/2024

- Revised Self-Check for FY 2024, which included:
 - Removing the Job Search and Relocation measure
 - Changing Rapid Response to an FYI-only measure

11/7/2023

- Removed 10% Admin Cap on FY2023 grants

1/24/2023

- NOTE: FY 2023 measures or targets did not change from FY 2022. No material changes were made to these Self-Check versions.
- Updated self-check notes, descriptions tab, and Submission Quarter options to FY 2023

11/14/2022

- Revised Petition Number measure to accommodate multiple petition numbers entered in PIRL 915 (PIRL 2021 only)
- Added final columns to the 2021 schemas – does not affect the calculations

10/17/2022

- Set default Submission Quarter to 9/30/2022 (1. Instructions tab)
- Updated Record Drop SQL

8/19/2022

- **Transition Quarter Files Only** – Fixed permissions on “Instructions” tab to allow for selecting correct quarter only

8/9/2022

- Set default Submission Quarter to 6/30/2022 (1. Instructions tab) for the non-transition quarter self-checks
- Corrected Record Drop SQL

3/10/2022

- Corrected error in Training Case Management Denominator calculation and SQL
 - Completing/withdrawing from training on last day of the quarter counts as being in training at the end of quarter and should be in the denominator
