

## **TAADI Self-Check Change History**

### **4/6/21**

- Set default Submission Quarter to 3/31/2021 (1. Instructions tab)
- Petition Number & Wages: Limited denominator to records which have not exited or exited within 10 quarters (required period for reporting)
- Wages: Fixed error with Wages 4<sup>th</sup> Quarter After Exit series of 9s calculation
- TAADI Results, Fiscal Measures: Removed “Adjustment” result

### **2/11/21**

- Updates the ONET (occupational) code verification list to include 2019 codes
  - ONET VALID is a hidden tab

### **2/5/21**

- Edits Median Earnings Performance Indicator to correctly report “Median,” not “Sum”
- Created Name Ranges for 9130 results

### **1/29/21**

- Revises measures and descriptions for FY 2021 levels including:
  - Rapid Response: Updates target
  - Co-Enrollment: Updates target, numerator, and denominator
  - Credential: Renamed to “Training Result” and updates target, numerator, and denominator
- Set default Submission Quarter to 12/31/2020 (1. Instructions tab)
- Updates Petition Data link
- Deletes unneeded columns from PIRL calculated fields sheet which reduces file size
- Consolidates the 2020 and 2018 schemas into one file, reducing back to 2 self-check versions: Full PIRL and SIRS

### **11/2/20**

- Created two new self-checks for the two new schema: Full PIRL 2020 and SIRS 2020
- Set default Submission Quarter to 9/30/2020 (1. Instructions tab)

### **9/4/20**

- Fixes an issue where if training expenditures results in an “Adjustment” it would erroneously color all financial results as green even if they were a “Discrepancy”

### **4/27/20**

- Updated external link to Petition Data file (due to website migration)
- Set default Submission Quarter to 3/31/2020 (1. Instructions tab)

### **3/2/20**

- Adjusted Service in Quarter Measure to FY2020 calculation
  - Flags records with participation more than 5 years

### **1/29/20**

- Revised the Measurable Skills Gain calculation to match the revised QPR calculation
