

U.S. Department of Labor

Assistant Secretary for
Employment and Training
Washington, D.C. 20210

July 20, 2026

The Honorable Josh Stein
Governor of North Carolina
20301 Mail Service Center
Raleigh, NC 27699-0301

Dear Governor Stein:

Thank you for your waiver request submission to the U.S. Department of Labor (Department) regarding certain statutory and regulatory provisions of the Workforce Innovation and Opportunity Act (WIOA) and the accompanying plan to improve the statewide workforce development system (enclosed). The waiver request was received on April 30, 2026 as part of your recent WIOA State Plan modification submission. This letter provides the Employment and Training Administration's (ETA) official response to your request and memorializes that North Carolina will meet the outcomes and implement the measures identified in its plan to ensure accountability agreed to by North Carolina and ETA. This action is taken under the Secretary of Labor's authority to waive certain requirements of WIOA Title I, Subtitles A, B, and E, and Sections 8–10 of the Wagner-Peyser Act in WIOA Section 189(i).

Requested Waiver: Waiver associated with the requirement at WIOA Section 129(a)(4)(A) and 20 CFR 681.410 that the State and local areas expend 75 percent of Governor's reserve youth funds and local formula youth funds on out-of-school youth (OSY).

ETA Response: ETA approves, for Program Years (PYs) 2026 and 2027, which includes the entire time period for which states are authorized to spend each of those PY fund allotments, the State's request to waive the requirement that the State expend 75 percent of Governor's reserve youth funds on OSY. ETA reviewed the State's waiver request and plan and has determined that the requirements requested to be waived impede the ability of the State to implement its plan to improve the workforce development system. The State may lower the expenditure requirement of Governor's reserve funds to 50 percent for OSY.

In addition, ETA approves, for PYs 2026 and 2027, which includes the entire time period for which states are authorized to spend each of those PY fund allotments, the State's request to waive the requirement that local areas expend 75 percent of local youth formula funds on OSY. The State may lower the local youth funds expenditure requirement to 50 percent for OSY.

Requested Waiver: Waiver associated with the requirement at WIOA Section 121(e) and 20 CFR 678.300(c) to establish and maintain a comprehensive American Job Center (AJC) in each of the State's local workforce development areas.

ETA Response: ETA approves, through June 30, 2028, the State's request to waive the requirement that each local area maintain a comprehensive AJC. ETA reviewed the State's waiver request and plan and has determined that the requirements requested to be waived impede the ability of the State to implement its plan to improve the workforce development system. Before implementing this waiver, the State must inform ETA which local areas will use this waiver.

The State is reminded that WIOA Title I waivers may not be used for any discriminatory purposes. All activities and waiver plan provisions must comply with Section 188 of WIOA, the implementing regulations at 29 CFR Part 38, and all applicable federal nondiscrimination laws.

The State must report its waiver outcomes and implementation of the approved waivers in the WIOA Annual Report. ETA will use this information to assess continued waiver approval and to identify promising practices that may be adopted more widely. ETA is available to provide technical assistance to you in support of your goals. If you have questions, feel free to contact my office at (202) 693-2772.

Sincerely,

A handwritten signature in blue ink that reads "Henry Mack". The signature is fluid and cursive, with the first name "Henry" and last name "Mack" clearly distinguishable.
