Household information

Question 1

How many people live in the household?

Question 2

Who lives at home with the student?

Mother Yes / No

Father Yes / No

How many brothers and sisters live with him/her?

How many grandparents live with him/her?

How many uncles/aunts live with him/her?

How many stepbrothers/sisters live with him/her?

How many nephew/niece live with him/her?

Other? Please specify _____

Question 3

What is the gender of each family member?

	Female	Male
Sibling 1		
Sibling 2		
Sibling 3		
Sibling 4		
Sibling 5		
Sibling 6		
Grandparent 1		
Grandparent 2		
Grandparent 3		
Grandparent 4		
Uncle/aunt 1		
Uncle/aunt 2		
Uncle/aunt 3		
Uncle/aunt 4		
Uncle/aunt 5		

Question 4

What is the main activity to which each family member dedicates?

	Study	Study and work	Paid work	Household chores
Sibling 1				
Sibling 2				
Sibling 3				
Sibling 4				
Sibling 5				
Sibling 6				
Grandparent 1				
Grandparent 2				
Grandparent 3				
Grandparent 4				
Uncle/aunt 1				
Uncle/aunt 2				
Uncle/aunt 3				
Uncle/aunt 4				
Uncle/aunt 5				

Question 5

Instructions: Ask these question for each family member whose main activity is “Study” or “Study and work”

At which educational level are they studying?

	Primary	Secondary	Non-University Higher Education	University education
Sibling 1				
Sibling 2				
Sibling 3				
Sibling 4				
Sibling 5				
Sibling 6				
Grandparent 1				
Grandparent 2				
Grandparent 3				
Grandparent 4				
Uncle/aunt 1				
Uncle/aunt 2				
Uncle/aunt 3				
Uncle/aunt 4				
Uncle/aunt 5				

Question 6

Instructions: Ask these question for each family member whose main activity is “Paid work” or “Household chores”

Which educational level did they achieve?

	Incomplete Primary	Primary	Secondary	Non-University Higher Education	University education
Sibling 1					
Sibling 2					
Sibling 3					
Sibling 4					
Sibling 5					
Sibling 6					
Grandparent 1					
Grandparent 2					
Grandparent 3					
Grandparent 4					
Uncle/aunt 1					
Uncle/aunt 2					
Uncle/aunt 3					
Uncle/aunt 4					
Uncle/aunt 5					

Question 7

Instructions: Ask these question for each family member whose main activity is “Study and work” or “Paid work”

Approximately, how much does each member of the household earn?

Sibling 1 S/.

Sibling 2 S/.

Sibling 3 S/.

Sibling 4 S/.

Sibling 5 S/.

Sibling 6 S/.

Grandparent 1 S/.

Grandparent 2 S/.

Grandparent 3 S/.

Grandparent 4 S/.

Uncle/aunt 1 S/.

Uncle/aunt 2 S/.

Uncle/aunt 3 S/.

Uncle/aunt 4 S/.

Uncle/aunt 5 S/.

Question 8

Instructions: Do not ask to respondent

Select the main material of the roof:

Concrete and/or bricks

Corrugated metal

Corrugated plastic

Wood

Carton

Other material (specify)

Question 9

How many rooms does this household have other than the kitchens, bathrooms, hallways and garages?

Question 10

Which of the following appliances does the household have?

Item	Yes	No
AM/FM Radio		
Refrigerator		
Sound equipment		
Washing machine		
Analog TV		
Plasma, LCD or LED TV		
Cellphone		
Landline telephone		
Desktop PC		
Laptop		
Tablet or iPad		
Iron		
Microwave oven		
Electric cooker		
Gas cooker		

Question 11

Which of the following articles does somebody in the household have?

[illegible]

Question 12

Do you have a field for the household?

Yes

No

Question 13

Do you have farm animals (livestock, chickens, pigs, etc.)?

Yes

No

Your child's ability and academic achievement

Question 14

How much effort do you think your child makes at school?

Mark ONE of the options.

Almost none

Little

As Necessary

A lot

Question 15

In which subject do you think your child has the most ability?

Mark ONE of the options.

Mathematics

Natural Sciences

Language

History and Social Sciences

All subjects equally

None

Question 16

Considering your child's abilities at school today, if s/he made more effort, with what probability s/he could improve his or hers academic achievement:

Choose ONLY ONE option.

Impossible		Unlikely			Possible			Very Possible			Definitely
Average of all subjects	0%	10%	20%	30%	40%	50%	60%	70%	80%	90%	100%
Mathematics and Sciences	0%	10%	20%	30%	40%	50%	60%	70%	80%	90%	100%
Languages and Social Sciences	0%	10%	20%	30%	40%	50%	60%	70%	80%	90%	100%

Question 17

Considering all the other students who are in the same grade as your child in YOUR CHILD'S SCHOOL, how do you think his or her ability compares with other students in the following subjects?

Choose ONE option.

Level	Mathematics	Sciences	Language	History and Social Sciences	Average of all subjects
Top 20% - Your level is much higher					
Top 40% - Your level is higher					
Similar – Your level is similar					
Bottom 40% - Your level is lower					
Bottom 20% - Your level is much lower					

Question 18

Considering all the other students who are in the same grade as your child in ALL SCHOOLS OF PERU, how do you think his or her ability compares with other students in the following subjects?

Choose ONE option.

Level	Mathematics	Sciences	Language	History and Social Sciences	Average of all subjects
Top 20% - Your level is much higher					
Top 40% - Your level is higher					
Similar – Your level is similar					
Bottom 40% - Your level is lower					
Bottom 20% - Your level is much lower					

Your plans and expectations for your child's future

Question 19

What area of studies would you like your child to pursue?

Choose ONE of the options.

Education (e.g.: Primary and Secondary Education)

Arts, Humanities and Social Sciences (e.g. Philosophy, Literature, Sociology, Design, Graphic Design, Arts, Psychology, Communications, Gastronomy and Culinary Art, Translation and Interpretation)

Law and Political Studies (e.g. Law, Political Sciences)

Business and Services (e.g. Economics, Administration, Accounting, Business Engineering, Business Administration, Foreign Trade, Executive Secretary Services)

Sciences and Engineering (e.g. Civil Engineering, Chemistry, Biology, Systems Engineering, Computer Sciences, Geotechnical Engineering, Construction, Zootechnics, Auto Mechanics)

Health (e.g. Medicine, Nursing, Odontology, Pharmacy Assistance, Nursing Technics, Dental Assistance)

Question 20

What major would you like your child to study?

Choose ONE of the options.

Dropdown Menu (List in Appendix 1)

Educational options in Peru

Question 21

What do you think Peruvians do to access higher education?

Choose the MOST POPULAR option.

- (1) Students get a scholarship
- (2) Parents or guardians pay for their studies
- (3) Students work while studying so that they can pay for their studies
- (4) Students take out a loan to pay for their studies
- (5) I don't know

Question 22

Name the scholarship you know most about or heard talked about.

I do not know any scholarship

Question 23

What institutions do you know that offer scholarships for universities and institutes and that your child could access?

Choose ALL institutions that you know.

- (1) The government
- (2) Private enterprises
- (3) Universities
- (4) Foreign agencies
- (5) I would not be able to access any scholarship
- (6) I do not know / I do not know any scholarship

Question 24

Do you think that your child could access a scholarship to pay for his or her higher education?

Choose the MOST RELEVANT option.

- (1) Yes, I think s/he could easily get a scholarship.
- (2) Yes, but I think it would be difficult to get a scholarship.
- (3) No, I think s/he would be unlikely to get a scholarship.
- (4) No, it is almost impossible to get access to a scholarship.

Question 25

If you answered that s/he would NOT be able to get a scholarship (options 3 or 4), why do you think that?

- (1) S/he does not have good enough grades to get a scholarship and I do not think that will change
- (2) S/he has good grades but we do not know how to apply for a scholarship
- (3) It is very difficult to get a scholarship because a lot of students apply but there are few scholarships available
- (4) One needs to have contacts to get a scholarship and we do not have them
- (6) There are no opportunities to apply for scholarships

Question 26

Considering various obstacles, with what probability do you think your child can access these educational levels?

Choose just ONE option.

Impossible		Unlikely			Possible			Very Possible			Definitely
Institute	0%	10%	20%	30%	40%	50%	60%	70%	80%	90%	100%
Renown University	0%	10%	20%	30%	40%	50%	60%	70%	80%	90%	100%
Unknown University	0%	10%	20%	30%	40%	50%	60%	70%	80%	90%	100%

Question 27

If your child made more effort to improve his or her academic achievement, with what probability do you think s/he could access these educational levels?

Choose just ONE option.

Impossible		Unlikely			Possible			Very Possible			Definitely
Institute	0%	10%	20%	30%	40%	50%	60%	70%	80%	90%	100%
Renown University	0%	10%	20%	30%	40%	50%	60%	70%	80%	90%	100%
Unknown University	0%	10%	20%	30%	40%	50%	60%	70%	80%	90%	100%

Question 28

If your child's studies were paid for and s/he was offered a place at an educational institution, what level of education would you like him or her to achieve?

Choose ONE of the options.

Complete 6th year of primary education and then work.

Complete some years of high school and then work.

Complete high school and then work.

Complete high school and a technical qualification and then work.

Complete high school and a university degree and then work.

Levels of education and majors

Question 29

If your child's studies were paid for and s/he was offered a place at an educational institution, what area of studies would you like him or her to choose?

Choose ONE of the options.

Education (e.g. Primary and Secondary Education)

Arts, Humanities and Social Sciences (e.g. Philosophy, Literature, Sociology, Design, Graphic Design, Arts, Psychology, Communications, Gastronomy and Culinary Art, Translation and Interpretation)

Law and Political Studies (e.g. Law, Political Sciences)

Business and Services (e.g. Economics, Administration, Accounting, Business Engineering, Business Administration, Foreign Trade, Executive Secretary Services)

Sciences and Engineering (e.g. Civil Engineering, Chemistry, Biology, Systems Engineering, Computer Sciences, Geotechnical Engineering, Construction, Zootechnics, Auto Mechanics)

Health (e.g. Medicine, Nursing, Odontology, Pharmacy Assistance, Nursing Technics, Dental Assistance)

Question 30

If your child's studies were paid for and s/he was offered a place at an educational institution, what major would you like him or her to choose?

Choose ONE of the options.

Dropdown Menu (List in Appendix 1)

The school environment

Question 31

Are you happy with the environment at your child's school?

Not at all satisfied

Not satisfied

Satisfied

Very satisfied

Time use

Question 32

Do you give your child allowance? Yes No

If you answered yes, how much money do you give him or her per week?

Question 33

Does your child help you with your house chores when you ask him or her? Yes No

If you answered yes, how many hours per week?

Question 34

On average, how many days per month does your child miss at school?

Why does s/he miss school?

Choose THREE reasons that are most frequent.

Illness.

Work and commitments at home (inside or outside the house).

Bad climate.

No access to transport to come to school.

Going somewhere else and not school.

Staying asleep and not feeling like going.

If sometimes your child does not want to go to school, do you let him/her miss it? Yes No

Question 35

How many hours does your child study per week, outside hours spent in class?

Do you oblige your child to study when at home? Yes No

Question 36

Do you help your child to study?

Choose ONE option.

Almost never

Sometimes

A lot

Almost always

How many hours a week do you make your child study for the following subjects?

Mathematics

Natural sciences

Communication

Social sciences or history
